

**203C.17 Receiving bulk grain at licensed and unlicensed warehouses.**

1. Any grain which has been received at any licensed warehouse for which the actual sale price is not fixed and proper documentation made or payment made shall be construed to be grain held for storage within the meaning of this chapter. Grain may be held in open storage or placed on warehouse receipt. A warehouse receipt shall be issued for all grain held in open storage within one year from the date of delivery to the warehouse, unless the depositor has signed a statement that the depositor does not desire a warehouse receipt. A warehouse receipt shall be issued upon request by the depositor. The warehouse operator's tariff shall apply for any grain that is retained in open storage or under warehouse receipt.

2. Bulk grain deposited with a licensed warehouse operator for processing, cleaning, drying, shipping for the account of the depositor or any other purpose shall be removed within thirty days or such grain shall be determined as stored grain and the warehouse operator's tariff charges shall apply.

3. Grain received on a scale ticket which fails to have the price fixed and properly documented on the records of the warehouse operator shall be construed to be in open storage.

4. All bulk grain whether open storage or having been placed on warehouse receipt is covered by the grain depositors and sellers indemnity fund created in chapter 203D.

5. Any grain which has been received at any unlicensed warehouse and for which the actual sale price has not been fixed and payment made within thirty days from receipt of the grain, unless covered by a credit-sale contract, shall be construed to be unlawful storage within the meaning of this chapter. Bulk grain received at any unlicensed warehouse for any other purpose must either be returned to the depositor or disposed of by order of the depositor within thirty days from date of actual deposit of the bulk grain.

6. If the depositor of bulk grain in an unlicensed warehouse fails to sell the grain or orders other disposition of the grain, the warehouse operator may purchase the grain, if otherwise allowed by law, on the thirtieth day after deposit at not less than the local market price at the close of business on the thirtieth day or return the grain to the depositor by the thirtieth day.

7. A licensed warehouse operator who does not have a sufficient quantity or quality of grain to satisfy the warehouse operator's obligations based on an examination by the department shall not purchase grain on credit-sale contract to correct the shortage of grain. A licensed warehouse operator shall not issue a warehouse receipt for purposes of providing collateral, if the grain which is the subject of the warehouse receipt was purchased by credit-sale contract and is unpaid for by the warehouse operator.

8. *a.* At least once each year, a licensed warehouse operator shall send a statement to each holder of a warehouse receipt covering grain stored at the licensed warehouse operator's licensed warehouse for more than one year. The statement shall be delivered in person or mailed to the holder's last known address. The statement shall show the amount of all grain stored pursuant to a warehouse receipt for such warehouse receipt holder and the amount of any storage charges held by the licensed warehouse operator against that grain.

*b.* The failure to prepare a statement required by this subsection is a simple misdemeanor.

*c.* A violation of this section shall not constitute grounds for the suspension or revocation of a warehouse operator's license.
