

222.88 Special intellectual disability unit.

The director of human services may organize and establish a special intellectual disability unit at an existing institution which may provide:

1. Psychiatric and related services to children with an intellectual disability and adults who are also emotionally disturbed or otherwise mentally ill.
2. Specific programs to meet the needs of such other special categories of persons with an intellectual disability as may be designated by the director.
3. Appropriate diagnostic evaluation services.
