

**225.11 Initiating commitment procedures.**

When a court finds upon completion of a hearing held pursuant to section 229.12 that the contention that a respondent is seriously mentally impaired has been sustained by clear and convincing evidence, and the application filed under section 229.6 also contends or the court otherwise concludes that it would be appropriate to refer the respondent to the state psychiatric hospital for a complete psychiatric evaluation and appropriate treatment pursuant to section 229.13, the judge may order that a financial investigation be made in the manner prescribed by section 225.13. If the costs of a respondent's evaluation or treatment are payable in whole or in part by a county, an order under this section shall be for referral of the respondent through the central point of coordination process\* for an evaluation and referral of the respondent to an appropriate placement or service, which may include the state psychiatric hospital for additional evaluation or treatment. For purposes of this chapter, "*central point of coordination process*" means the same as defined in section 331.440.\*
