

225C.19 Emergency mental health crisis services system.

1. For the purposes of this section:

a. “*Emergency mental health crisis services provider*” means a provider accredited or approved by the department to provide emergency mental health crisis services.

b. “*Emergency mental health crisis services system*” or “*services system*” means a coordinated array of crisis services for providing a response to assist an individual adult or child who is experiencing a mental health crisis or who is in a situation that is reasonably likely to cause the individual to have a mental health crisis unless assistance is provided.

2. a. The division shall implement an emergency mental health crisis services system in consultation with counties, and community mental health centers and other mental health and social service providers, in accordance with this section.

b. The purpose of the services system is to provide a statewide array of time-limited intervention services to reduce escalation of crisis situations, relieve the immediate distress of individuals experiencing a crisis situation, reduce the risk of individuals in a crisis situation doing harm to themselves or others, and promote timely access to appropriate services for those who require ongoing mental health services.

c. The services system shall be available twenty-four hours per day, seven days per week to any individual who is in or is determined by others to be in a crisis situation, regardless of whether the individual has been diagnosed with a mental illness or a co-occurring mental illness and substance abuse disorder. The system shall address all ages, income levels, and health coverage statuses.

d. The goals of an intervention offered by a provider under the services system shall include but are not limited to symptom reduction, stabilization of the individual receiving the intervention, and restoration of the individual to a previous level of functioning.

e. The elements of the services system shall be specified in administrative rules adopted by the commission.

3. The services system elements shall include but are not limited to all of the following:

a. Standards for accrediting or approving emergency mental health crisis services providers. Such providers may include but are not limited to a community mental health center, a provider approved in a waiver adopted by the commission to provide services to a county in lieu of a community mental health center, a unit of the department or other state agency, a county, or any other public or private provider who meets the accreditation or approval standards for an emergency mental health crisis services provider.

b. Identification by the division of geographic regions, service areas, or other means of distributing and organizing the emergency mental health crisis services system to ensure statewide availability of the services.

c. Coordination of emergency mental health crisis services with all of the following:

(1) The district and juvenile courts.

(2) Law enforcement.

(3) Judicial district departments of correctional services.

(4) County central point of coordination processes.*

(5) Other mental health, substance abuse, and co-occurring mental illness and substance abuse services available through the state and counties to serve both children and adults.

d. Identification of basic services to be provided through each accredited or approved emergency mental health crisis services provider which may include but are not limited to face-to-face crisis intervention, stabilization, support, counseling, preadmission screening for individuals who may require psychiatric hospitalization, transportation, and follow-up services.

e. Identification of operational requirements for emergency mental health crisis services provider accreditation or approval which may include providing a telephone hotline, mobile crisis staff, collaboration protocols, follow-up with community services, information systems, and competency-based training.

4. The division shall initially implement the program through a competitive block grant

process. The implementation shall be limited to the extent of the appropriations provided for the program.
