

262.21 Annuity contracts.

At the request of an employee through contractual agreement the board may arrange for the purchase of group or individual annuity contracts for any of its employees, which annuity contracts are issued by a nonprofit corporation issuing retirement annuities exclusively for educational institutions and their employees or are purchased from any company the employee chooses that is authorized to do business in this state or through an Iowa-licensed salesperson that the employee selects, on a group or individual basis, for retirement or other purposes, and may make payroll deductions in accordance with the arrangements for the purpose of paying the entire premium due and to become due under the contract. The deductions shall be made in the manner which will qualify the annuity premiums for the benefits under section 403(b) of the Internal Revenue Code, as defined in section 422.3. The employee's rights under the annuity contract are nonforfeitable except for the failure to pay premiums. As used in this section, unless the context otherwise requires, "annuity contract" includes any custodial account which meets the requirements of section 403(b)(7) of the Internal Revenue Code, as defined in section 422.3.

Whenever an existing tax-sheltered annuity contract is to be replaced by a new contract the agent or representative of the company shall submit a letter of intent to the company being replaced, to the commissioner of insurance, and to the agent's or representative's own company at least thirty days prior to any action. Each required letter of intent shall be sent by registered mail. This letter of intent shall contain the policy number and description of the contract being replaced and a description of the replacement contract.
