

266.34 State extension fruit specialist.

The Iowa cooperative extension service in agriculture and home economics shall employ a state extension fruit specialist to provide leadership in the development of a broader array of educational materials and field staff training. The materials on training should provide, in popular and practical terms, the available research at Iowa state university of science and technology and elsewhere that will enable area and county extension services to expand their efforts with existing and potential fruit growers for marketing in or outside of this state.
