1. The participants at the private hearing shall be at least a majority of the members of the board, their legal representatives, if any, the superintendent, the superintendent's designated representatives, if any, the teacher's immediate supervisor, the teacher, the teacher's representatives, if any, and the witnesses for the parties. The evidence at the private hearing shall be limited to the specific reasons stated in the superintendent's notice of recommendation of termination. No participant in the hearing shall be liable for any damages to any person if any statement at the hearing is determined to be erroneous as long as the statement was made in good faith. The superintendent shall present evidence and argument on all issues involved and the teacher may cross-examine, respond and present evidence and argument in the teacher's behalf relevant to all issues involved. Evidence may be by stipulation of the parties and informal settlement may be made by stipulation, consent, or default or by any other method agreed upon by the parties in writing. The board shall employ a certified shorthand reporter to keep a record of the private hearing. The proceedings or any part thereof shall be transcribed at the request of either party with the expense of transcription charged to the requesting party.

2. The presiding officer of the board may administer oaths in the same manner and with like effect and under the same penalties as in the case of magistrates exercising criminal or civil jurisdiction. The board shall cause subpoenas to be issued for such witnesses and the production of such books and papers as either the board or the teacher may designate. The subpoenas shall be signed by the presiding officer of the board.

3. In case a witness is duly subpoenaed and refuses to attend, or in case a witness appears and refuses to testify or to produce required books or papers, the board shall, in writing, report such refusal to the district court of the county in which the administrative office of the school district is located, and the court shall proceed with the person or witness as though the refusal had occurred in a proceeding legally pending before the court.

4. The board shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure, but it shall hold the hearing in such manner as is best suited to ascertain and conserve the substantial rights of the parties. Process and procedure under sections 279.13 to 279.19 shall be as summary as reasonably may be.

5. At the conclusion of the private hearing, the superintendent and the teacher may file written briefs and arguments with the board within three days or such other time as may be agreed upon.

6. If the teacher fails to timely request a private hearing or does not appear at the private hearing, the board may proceed and make a determination upon the superintendent's recommendation. If the teacher fails to timely file a request for a private hearing, the determination shall be not later than May 31. If the teacher fails to appear at the private hearing, the determination shall be not later than five days after the scheduled date for the private hearing. The board shall convene in open session and by roll call vote determine the termination or continuance of the teacher's contract and, if the board votes to continue the teacher's contract, whether to suspend the teacher with or without pay for a period specified by the board.

7. Within five days after the private hearing, the board shall, in executive session, meet to make a final decision upon the recommendation and the evidence as herein provided. The board shall also consider any written brief and arguments submitted by the superintendent and the teacher.

8. The record for a private hearing shall include:

a. All pleadings, motions and intermediate rulings.

b. All evidence received or considered and all other submissions.

c. A statement of all matters officially noticed.

d. All questions and offers of proof, objections and rulings thereon.

e. All findings and exceptions.

f. Any decision, opinion, or conclusion by the board.

Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts and supporting the findings. Each conclusion of law shall be supported by cited authority or by reasoned opinion.

10. When the board has reached a decision, opinion, or conclusion, it shall convene in open meeting and by roll call vote determine the continuance or discontinuance of the teacher's contract and, if the board votes to continue the teacher's contract, whether to suspend the teacher with or without pay for a period specified by the board. The record of the private conference and findings of fact and exceptions shall be exempt from the provisions of chapter 22. The secretary of the board shall immediately mail notice of the board's action to the teacher.

279.17 Appeal by teacher to adjudicator.

1. If the teacher is no longer a probationary teacher, the teacher may, within ten days, appeal the determination of the board to an adjudicator by filing a notice of appeal with the secretary of the board. The notice of appeal shall contain a concise statement of the action which is the subject of the appeal, the particular board action appealed from, the grounds on which relief is sought and the relief sought.

2. Within five days following receipt by the secretary of the notice of appeal, the board or the board's legal representative, if any, and the teacher or the teacher's representative, if any, may select an adjudicator who resides within the boundaries of the merged area in which the school district is located. If an adjudicator cannot be mutually agreed upon within the five-day period, the secretary shall notify the chairperson of the public employment relations board by transmitting the notice of appeal, and the chairperson of the public employment relations board shall within five days provide a list of five adjudicators to the parties. Within three days from receipt of the list of adjudicators, the parties shall select an adjudicator by alternately removing a name from the list until only one name remains. The person whose name remains shall be the adjudicator. The parties shall determine by lot which party shall remove the first name from the list submitted by the chairperson of the public employment relations board. The secretary of the board shall inform the chairperson of the public employee relations board of the name of the adjudicator selected.

3. If the teacher does not timely request an appeal to an adjudicator the decision, opinion, or conclusion of the board shall become final and binding.

4. a. Within thirty days after filing the notice of appeal, or within further time allowed by the adjudicator, the board shall transmit to the adjudicator the original or a certified copy of the entire record of the private hearing which may be the subject of the petition. By stipulation of the parties to review the proceedings, the record of the case may be shortened. The adjudicator may require or permit subsequent corrections or additions to the shortened record.

b. The record certified and filed by the board shall be the record upon which the appeal shall be heard and no additional evidence shall be heard by the adjudicator. In such appeal to the adjudicator, especially when considering the credibility of witnesses, the adjudicator shall give weight to the fact findings of the board; but shall not be bound by them.

5. Before the date set for hearing a petition for review of board action, which shall be within ten days after receipt of the record unless otherwise agreed or unless the adjudicator orders additional evidence be taken before the board, application may be made to the adjudicator for leave to present evidence in addition to that found in the record of the case. If it is shown to the adjudicator that the additional evidence is material and that there were good reasons for failure to present it in the private hearing before the board, the adjudicator may order that the additional evidence be taken before the board upon conditions determined by the adjudicator. The board may modify its findings and decision in the case by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions, with the adjudicator and mail copies of the new findings or decisions to the teacher.

6. The adjudicator may affirm board action or remand to the board for further proceedings. The adjudicator shall reverse, modify, or grant any appropriate relief from the board action if substantial rights of the teacher have been prejudiced because the board action is:

- a. In violation of a board rule or policy or contract; or
- b. Unsupported by a preponderance of the competent evidence in the record made before the board when that record is viewed as a whole; or
- c. Unreasonable, arbitrary or capricious or characterized by an abuse of discretion or a clearly unwarranted exercise of discretion.

7. The adjudicator shall, within fifteen days after the hearing, make a decision and shall give a copy of the decision to the teacher and the secretary of the board. The decision of the adjudicator shall become the final and binding decision of the board unless either party within ten days notifies the secretary of the board that the decision is rejected. The board may reject the decision by majority vote, by roll call, in open meeting and entered into the minutes of the meeting. The board shall immediately notify the teacher of its decision by certified mail. The teacher may reject the adjudicator's decision by notifying the board's secretary in writing within ten days of the filing of such decision.

8. All costs of the adjudicator shall be shared equally by the teacher and the board.

279.18 Appeal by either party to court.

1. If either party rejects the adjudicator's decision, the rejecting party shall, within thirty days of the initial filing of such decision, appeal to the district court of the county in which the administrative office of the school district is located. The notice of appeal shall be immediately mailed by certified mail to the other party. The adjudicator shall transmit to the reviewing court the original or a certified copy of the entire record which may be the subject of the petition. By stipulation of all parties to the review proceedings, the record of such a case may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional cost. The court may require or permit subsequent corrections or additions to the shortened record.

2. In proceedings for judicial review of the adjudicator's decision, the court shall not hear any further evidence but shall hear the case upon the certified record. In such judicial review, especially when considering the credibility of witnesses, the court shall give weight to the fact findings of the board; but shall not be bound by them. The court may affirm the adjudicator's decision or remand to the adjudicator or the board for further proceedings upon conditions determined by the court. The court shall reverse, modify, or grant any other appropriate relief from the board decision or the adjudicator's decision equitable or legal and including declaratory relief if substantial rights of the petitioner have been prejudiced because the action is:

- a. In violation of constitutional or statutory provisions; or

- b. In excess of the statutory authority of the board or the adjudicator; or
 - c. In violation of a board rule or policy or contract; or
 - d. Made upon unlawful procedure; or
 - e. Affected by other error of law; or
 - f. Unsupported by a preponderance of the competent evidence in the record made before the board and the adjudicator when that record is viewed as a whole; or
 - g. Unreasonable, arbitrary or capricious or characterized by an abuse of discretion or a clearly unwarranted exercise of discretion.
3. An aggrieved or adversely affected party to the judicial review proceeding may obtain a review of any final judgment of the district court by appeal to the supreme court. The appeal shall be taken as in other civil cases, although the appeal may be taken regardless of the amount involved.
4. For purposes of this section, unless the context otherwise requires, “*rejecting party*” shall include, but not be limited to, an instructor employed by a community college.

The first three consecutive years of employment of a teacher in the same school district are a probationary period. However, if the teacher has successfully completed a probationary period of employment for another school district located in Iowa, the probationary period in the current district of employment shall not exceed one year. A board of directors may waive the probationary period for any teacher who previously has served a probationary period in another school district and the board may extend the probationary period for an additional year with the consent of the teacher.

In the case of the termination of a probationary teacher’s contract, the provisions of sections 279.15 and 279.16 shall apply. However, if the probationary teacher is a beginning teacher who fails to demonstrate competence in the Iowa teaching standards in accordance with chapter 284, the provisions of sections 279.17 and 279.18 shall also apply.

The board’s decision shall be final and binding unless the termination was based upon an alleged violation of a constitutionally guaranteed right of the teacher or an alleged violation of public employee rights of the teacher under section 20.10.

Notwithstanding any provision to the contrary, the grievance procedures of section 20.18 relating to job performance or job retention shall not apply to a teacher during the first two years of the teacher’s probationary period. However, this paragraph shall not apply to a teacher who has successfully completed a probationary period in a school district in Iowa.

279.19A Extracurricular contracts.

1. School districts employing individuals to coach interscholastic athletic sports shall issue a separate extracurricular contract for each of these sports. An extracurricular contract offered under this section shall be separate from the contract issued under section 279.13. Wages for employees who coach these sports shall be paid pursuant to established or negotiated supplemental pay schedules. An extracurricular contract shall be in writing, and shall state the number of contract days for that sport, the annual compensation to be paid, and any other matters as may be mutually agreed upon. The contract shall be for a single school year.

2. a. An extracurricular contract shall be continued automatically in force and effect for equivalent periods, except as modified or terminated by mutual agreement of the board of directors and the employee, or terminated in accordance with this section. An extracurricular contract shall initially be offered by the employing board to an individual on the same date that contracts are offered to teachers under section 279.13. An extracurricular contract may

be terminated at the end of a school year pursuant to sections 279.15 through 279.19. If the school district offers an extracurricular contract for a sport for the subsequent school year to an employee who is currently performing under an extracurricular contract for that sport, and the employee does not wish to accept the extracurricular contract for the subsequent year, the employee may resign from the extracurricular contract within twenty-one days after it has been received.

b. Section 279.13, subsection 3, applies to this section.

3. The board of directors of a school district may require an employee who has resigned from an extracurricular contract to accept, as a condition of employment under section 279.13, the extracurricular contract for no longer than one additional school year if all the following conditions apply:

a. The employee has accepted a teaching contract issued by the board pursuant to section 279.13 for the subsequent school year.

b. The board of directors has made a good faith effort to fill the coaching position with a licensed or authorized replacement.

c. The position has not been filled by June 1 of the year in which the employee resigned the extracurricular contract.

4. a. The individual who held the coaching position during the year has not been issued a teaching contract by the board pursuant to section 279.13 for the subsequent school year, or has been terminated from the extracurricular contract.

b. The board of directors has made a good faith effort to fill the coaching position with a licensed or authorized replacement.

c. The position has not been filled by June 1 of the year in which the vacancy occurred for the interscholastic athletic sport.

5. a. Within seven days following June 1 of that year, the board shall notify the employee in writing if the board intends to require the employee to accept an extracurricular contract for the subsequent school year under subsection 3 or 4. If the employee believes that the board did not make a good faith effort to fill the position the employee may appeal the decision by notifying the board in writing within ten days after receiving the notification.

b. The appeal shall state why the employee believes that the board did not make a good faith effort to fill the position. If the parties are unable to informally resolve the dispute, the parties shall attempt to agree upon an alternative means of resolving the dispute.

c. If the dispute is not resolved by mutual agreement, either party may appeal to the district court.

6. Subsections 3, 4, and 5 do not apply if the terms of a collective bargaining agreement provide otherwise.

7. An extracurricular contract may be terminated prior to the expiration of that contract pursuant to section 279.27.

8. a. A termination proceeding of an extracurricular contract either by the board pursuant to subsection 2 or pursuant to section 279.27 does not affect a contract issued pursuant to section 279.13.

b. A termination of a contract entered into pursuant to section 279.13, or a resignation from that contract by the teacher, constitutes an automatic termination or resignation of the extracurricular contract in effect between the same teacher and the employing school board.

9. For the purposes of this section, “*good faith effort*” includes advertising for the position in an appropriate publication, interviewing applicants, and giving serious consideration to those licensed or authorized, and otherwise qualified, applicants who apply.

279.24 Contract with administrators — automatic continuation or termination.

1. An administrator's contract shall remain in force and effect for the period stated in the contract. The contract shall be automatically continued in force and effect for additional one-year periods beyond the end of its original term, except and until the contract is modified or terminated by mutual agreement of the board of directors and the administrator, or until terminated as provided by this section.

2. If the board of directors is considering termination of an administrator's contract, prior to any formal action, the board may arrange to meet in closed session, in accordance with the provisions of section 21.5, with the administrator and the administrator's representative. The board shall review the administrator's evaluation, review the reasons for nonrenewal, and give the administrator an opportunity to respond. If, following the closed session, the board of directors and the administrator are unable to mutually agree to a modification or termination of the administrator's contract, or the board of directors and the administrator are unable to mutually agree to enter into a one-year nonrenewable contract, the board of directors shall follow the procedures in this section.

3. An administrator may file a written resignation with the secretary of the school board on or before May 1 of each year or the date specified by the school board for return of the contract, whichever date occurs first.

4. Administrators employed in a school district for less than two consecutive years are probationary administrators. However, a school board may waive the probationary period for any administrator who has previously served a probationary period in another school district and the school board may extend the probationary period for an additional year with the consent of the administrator. If a school board determines that it should terminate a probationary administrator's contract, the school board shall notify the administrator not later than May 15 that the contract will not be renewed beyond the current year. The notice shall be in writing by letter, personally delivered, or mailed by certified mail. The notification shall be complete when received by the administrator. Within ten days after receiving the notice, the administrator may request a private conference with the school board to discuss the reasons for termination. The school board's decision to terminate a probationary administrator's contract shall be final unless the termination was based upon an alleged violation of a constitutionally guaranteed right of the administrator.

5. The school board may, by majority vote of the membership of the school board, cause the contract of an administrator to be terminated. If the school board determines that it should consider the termination of a nonprobationary administrator's contract, the following procedure shall apply:

a. On or before May 15, the administrator shall be notified in writing by a letter personally delivered or mailed by certified mail that the school board has voted to consider termination of the contract. The notification shall be complete when received by the administrator.

b. The notice shall state the specific reasons to be used by the school board for considering termination which for all administrators except superintendents shall be for just cause.

c. Within five days after receipt of the written notice that the school board has voted to consider termination of the contract, the administrator may request in writing to the secretary of the school board that the notification be forwarded to the board of educational examiners

along with a request that the board of educational examiners submit a list of five qualified administrative law judges to the parties. Within three days from receipt of the list the parties shall select an administrative law judge by alternately removing a name from the list until only one name remains. The person whose name remains shall be the administrative law judge. The parties shall determine by lot which party shall remove the first name from the list. The hearing shall be held no sooner than ten days and not later than thirty days following the administrator's request unless the parties otherwise agree. If the administrator does not request a hearing, the school board, not later than May 31, may determine the continuance or discontinuance of the contract and, if the board determines to continue the administrator's contract, whether to suspend the administrator with or without pay for a period specified by the board. School board action shall be by majority roll call vote entered on the minutes of the meeting. Notice of school board action shall be personally delivered or mailed to the administrator.

d. The administrative law judge selected shall notify the secretary of the school board and the administrator in writing concerning the date, time, and location of the hearing. The school board may be represented by a legal representative, if any, and the administrator shall appear and may be represented by counsel or by representative, if any. A transcript or recording shall be made of the proceedings at the hearing. A school board member or administrator is not liable for any damage to an administrator or school board member if a statement made at the hearing is determined to be erroneous as long as the statement was made in good faith.

e. The administrative law judge shall, within ten days following the date of the hearing, make a proposed decision as to whether or not the administrator should be dismissed, and shall give a copy of the proposed decision to the administrator and the school board. Findings of fact shall be prepared by the administrative law judge. The proposed decision of the administrative law judge shall become the final decision of the school board unless within ten days after the filing of the decision the administrator files a written notice of appeal with the school board, or the school board on its own motion determines to review the decision.

f. If the administrator appeals to the school board, or if the school board determines on its own motion to review the proposed decision of the administrative law judge, a private hearing shall be held before the school board within five days after the petition for review, or motion for review, has been made or at such other time as the parties agree. The private hearing is not subject to chapter 21. The school board may hear the case de novo upon the record as submitted before the administrative law judge. In cases where there is an appeal from a proposed decision or where a proposed decision is reviewed on motion of the school board, an opportunity shall be afforded to each party to file exceptions, present briefs, and present oral arguments to the school board which is to render the final decision. The secretary of the school board shall give the administrator written notice of the time, place, and date of the hearing. The school board shall meet within five days after the hearing to determine the question of continuance or discontinuance of the contract and, if the board determines to continue the administrator's contract, whether to suspend the administrator with or without pay for a period specified by the board. The school board shall make findings of fact which shall be based solely on the evidence in the record and on matters officially noticed in the record.

g. The decision of the school board shall be in writing and shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. Each conclusion of law shall be supported by cited authority or by reasoned opinion.

h. When the school board has reached a decision, opinion, or conclusion, it shall convene in open meeting and by roll call vote determine the continuance or discontinuance of the administrator's contract and, if the board votes to continue the administrator's contract, whether to suspend the administrator with or without pay for a period specified by the board. The record of the private conference and findings of fact and exceptions shall be exempt from the provisions of chapter 22. The secretary of the school board shall immediately personally deliver or mail notice of the school board's action to the administrator.

i. The administrator may within thirty days after notification by the school board of

discontinuance of the contract appeal to the district court of the county in which the administrative office of the school district is located.

6. The court may affirm the school board's action. The court shall reverse, modify, or grant any other appropriate relief from the school board's action, equitable or legal, and including declaratory relief, if substantial rights of the administrator have been prejudiced because the school board's action is any of the following:

- a. In violation of constitutional or statutory provisions.
- b. In excess of the statutory authority of the school board.
- c. In violation of school board policy or rule.
- d. Made upon unlawful procedure.
- e. Affected by other error of law.
- f. Unsupported by a preponderance of the evidence in the record made before the school board when that record is reviewed as a whole.
- g. Unreasonable, arbitrary, or capricious, or characterized by an abuse of discretion or clearly unwarranted exercise of discretion.

279.68 Student progression — remedial instruction — reporting requirements — promotion.

1. *Reading deficiency and parental notification.*

a. A school district shall assess all students enrolled in kindergarten through grade three at the beginning of each school year for their level of reading or reading readiness on locally determined or statewide assessments, as provided in section 256.7, subsection 31. A school district shall provide intensive reading instruction to any student who exhibits a substantial deficiency in reading, based upon the assessment or through teacher observations. The student's reading proficiency shall be reassessed by locally determined or statewide assessments. The student shall continue to be provided with intensive reading instruction until the reading deficiency is remedied.

b. The parent or guardian of any student in kindergarten through grade three who exhibits a substantial deficiency in reading, as described in paragraph "a", shall be notified at least annually in writing of the following:

- (1) That the child has been identified as having a substantial deficiency in reading.
- (2) A description of the services currently provided to the child.
- (3) A description of the proposed supplemental instructional services and supports that the school district will provide to the child that are designed to remediate the identified area of reading deficiency.
- (4) Strategies for parents and guardians to use in helping the child succeed in reading proficiency, including but not limited to the promotion of parent-guided home reading.

c. Beginning May 1, 2017, unless the school district is granted a waiver pursuant to subsection 2, paragraph "e", if the student's reading deficiency is not remedied by the end of grade three, as demonstrated by scoring on a locally determined or statewide assessment as provided in section 256.7, subsection 31, the school district shall notify the student's parent or guardian that the parent or guardian may enroll the student in an intensive summer reading program offered in accordance with subsection 2, paragraph "e". If the parent or guardian does not enroll the student in the intensive summer reading program and the student is ineligible for the good cause exemption under subsection 5, the student shall be retained in grade three pursuant to subsection 3. If the student is exempt from participating in an intensive summer reading program for good cause, pursuant to subsection 5, or completes the intensive summer reading program but is not reading proficient upon completion of the program, the student may be promoted to grade four, but the school district shall continue to provide the student with intensive reading instruction until the student is proficient in reading as demonstrated by scoring on locally determined or statewide assessments.

2. *Successful progression for early readers.* If funds are appropriated by the general assembly for purposes of implementing this subsection, a school district shall do all of the following:

a. Provide students who are identified as having a substantial deficiency in reading under subsection 1, paragraph "a", with intensive instructional services and supports, free of charge, to remediate the identified areas of reading deficiency, including a minimum of ninety minutes

daily of scientific, research-based reading instruction and other strategies prescribed by the school district which may include but are not limited to the following:

- (1) Small group instruction.
- (2) Reduced teacher-student ratios.
- (3) More frequent progress monitoring.
- (4) Tutoring or mentoring.
- (5) Extended school day, week, or year.
- (6) Summer reading programs.

b. At regular intervals, apprise the parent or guardian of academic and other progress being made by the student and give the parent or guardian other useful information.

c. In addition to required reading enhancement and acceleration strategies, provide parents of students who are identified as having a substantial deficiency in reading under subsection 1, paragraph “a”, with a plan outlined in a parental contract, including participation in regular parent-guided home reading.

d. Establish a reading enhancement and acceleration development initiative designed to offer intensive accelerated reading instruction to each kindergarten through grade three student who is assessed as exhibiting a substantial deficiency in reading. The initiative shall comply with all of the following criteria:

(1) Be provided to all kindergarten through grade three students who exhibit a substantial deficiency in reading under this section. The assessment initiative shall measure phonemic awareness, phonics, fluency, vocabulary, and comprehension.

(2) Be provided during regular school hours in addition to the regular reading instruction.

(3) Provide a reading curriculum that meets guidelines adopted pursuant to section 256.7, subsection 31, and at a minimum has the following specifications:

(a) Assists students assessed as exhibiting a substantial deficiency in reading to develop the skills to read at grade level.

(b) Provides skill development in phonemic awareness, phonics, fluency, vocabulary, and comprehension.

(c) Includes a scientifically based and reliable assessment.

(d) Provides initial and ongoing analysis of each student’s reading progress.

(e) Is implemented during regular school hours.

(f) Provides a curriculum in core academic subjects to assist the student in maintaining or meeting proficiency levels for the appropriate grade in all academic subjects.

e. Offer each summer, beginning in the summer of 2017, unless the school district receives a waiver from this requirement from the department of education for the summer of 2017, an intensive summer literacy program for students assessed as exhibiting a substantial deficiency in reading. The program shall meet the criteria and follow the guidelines established pursuant to section 256.9, subsection 53, paragraph “c”, subparagraph (1), subparagraph division (g).

f. Report to the department of education the specific intensive reading interventions and supports implemented by the school district pursuant to this section. The department shall annually prescribe the components of required or requested reports.

3. *Promotion to grade four.* In determining whether to promote a student in grade three to grade four, a school district shall place significant weight on any reading deficiency identified pursuant to subsection 1, paragraph “a”, that is not yet remediated. The school district shall also weigh the student’s progress in other subject areas, as well as the student’s overall intellectual, physical, emotional, and social development. A decision to retain a student in grade three shall be made only after direct personal consultation with the student’s parent or guardian and after the formulation of a specific plan of action to remedy the student’s reading deficiency.

4. *Ensuring continuous improvement in reading proficiency.*

a. To ensure all children are reading proficiently by the end of third grade, each school district shall address reading proficiency as part of its comprehensive school improvement plan, drawing upon information about children from assessments conducted pursuant to subsection 1 and the prevalence of deficiencies identified by classroom, elementary school, and other student characteristics. As part of its comprehensive school improvement plan,

each school district shall review chronic early elementary absenteeism for its impact on literacy development. If more than fifteen percent of an attendance center's students are not proficient in reading by the end of third grade, the comprehensive school improvement plan shall include strategies to reduce that percentage, including school and community strategies to raise the percentage of students who are proficient in reading.

b. Each school district, subject to an appropriation of funds by the general assembly, shall provide professional development services to enhance the skills of elementary teachers in responding to children's unique reading issues and needs and to increase the use of evidence-based strategies.

5. *Good cause exemption.*

a. The school district shall exempt students from the retention and intensive summer reading program requirements of subsection 1, paragraph "c", for good cause. Good cause exemptions shall be limited to the following:

(1) Limited English proficient students who have had less than two years of instruction in an English as a second language program.

(2) Students requiring special education whose individualized education program indicates that participation in a locally determined or statewide assessment as provided in section 256.7, subsection 31, is not appropriate, consistent with the requirements of rules adopted by the state board of education for the administration of chapter 256B.

(3) Students who demonstrate an acceptable level of performance on an alternative performance measure approved pursuant to section 256.7, subsection 31.

(4) Students who demonstrate mastery through a student portfolio under alternative performance measures approved pursuant to section 256.7, subsection 31.

(5) Students who have received intensive remediation in reading for two or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, grade one, grade two, or grade three. Intensive reading instruction for students so promoted must include an altered instructional day that includes specialized diagnostic information and specific reading strategies for each student. The school district shall assist attendance centers and teachers to implement reading strategies that research has shown to be successful in improving reading among low-performing readers.

b. Requests for good cause exemptions from the retention requirement of subsection 1, paragraph "c", for students described in paragraph "a", subparagraphs (3) and (4), shall include documentation from the student's teacher to the school principal that indicates that the promotion of the student is appropriate and is based upon the student's academic record. Such documentation shall include but not be limited to the individualized education program, if applicable, report card, or student portfolio.
