

309.10 Use of farm-to-market road fund.

1. Notwithstanding section 310.4, if the board of supervisors of a county does not plan to utilize its farm-to-market road fund allocation for the succeeding fiscal year for farm-to-market projects, the board may annually, by stipulation in the secondary road construction program and secondary road budget submitted to the department in accordance with sections 309.22 and 309.93, determine an amount of the unobligated portion of its allocation, up to a maximum of fifty percent of its anticipated total annual allocation, for the construction and reconstruction of local secondary roads. However, moneys from the farm-to-market road fund shall not be so used if the moneys are needed to match federal funds available for farm-to-market road projects.
