

**321G.23 Course of instruction.**

1. The commission shall provide, by rules adopted pursuant to section 321G.2, for the establishment of certified courses of instruction to be conducted throughout the state for the safe use and operation of snowmobiles. The curriculum shall include instruction in the lawful and safe use, operation, and equipping of snowmobiles consistent with this chapter and rules adopted by the commission and the director of transportation and other matters the commission deems pertinent for a qualified snowmobile operator. The commission may establish a fee for the course which shall not exceed the actual cost of instruction minus moneys received by the department from education certificate fees under section 321G.24.

2. The commission may certify any experienced, qualified operator to be an instructor of a class established under subsection 1. Each instructor shall be at least eighteen years of age.

3. Upon completion of the course of instruction, the commission shall provide for the administration of a written test to any student who wishes to qualify for an education certificate.

4. The commission shall provide education material relating to the operation of snowmobiles for the use of nonpublic or public elementary and secondary schools in this state.

5. The department may develop requirements and standards for online education offerings. Only vendors who have entered into a memorandum of understanding with the department shall be permitted to offer an online course that results in the issuance of an education certificate approved by the commission. Vendors may charge for their courses and collect the education certificate fee required under section 321G.24, subsection 2, on behalf of the department as agreed to in the memorandum of understanding.
