

353.3 Petition by farm owners.

When a petition signed by fifty or more owners of farms within the county requesting the board of supervisors to sell lime to them under this chapter is filed with the board of supervisors, or when a petition signed by any number of owners of farms within the county requesting the board of supervisors to sell to them under this chapter an amount of lime aggregating not less than five thousand tons, is filed with the board of supervisors, said board may provide for and sell, under the provisions of this chapter, such lime as is requested to the said farm owners signing the petition and to any others requesting such sale of lime.
