

35A.10 Multiyear construction program — construction, repair, and improvement projects.

1. The commission shall work with the department of administrative services to prepare and submit to the director of the department of management, as provided in section 8.23, a multiyear construction program including estimates of the expenditure requirements for the construction, repair, or improvement of buildings, grounds, or equipment at the commission of veterans affairs building at Camp Dodge and the Iowa veterans home in Marshalltown.

2. The commandant and the commission shall have plans and specifications prepared by the department of administrative services for authorized construction, repair, or improvement projects in excess of the competitive bid threshold in section 26.3, or as established in section 314.1B. An appropriation for a project shall not be expended until the department of administrative services has adopted plans and specifications and has completed a detailed estimate of the cost of the project, prepared under the supervision of a registered architect or licensed professional engineer.

3. The director of the department of administrative services shall, in writing, let all contracts for authorized improvements in excess of the competitive bid threshold in section 26.3, or as established in section 314.1B in accordance with chapter 8A, subchapter III, and chapter 26. The director of the department of administrative services shall not authorize payment for construction purposes until satisfactory proof has been furnished by the proper officer or supervising architect that the parties have complied with the contract.
