

400.12 Seniority.

For the purpose of determining the seniority rights of civil service employees, seniority shall be computed, beginning with the date of appointment to or employment in any positions for which they were certified or otherwise qualified and established as provided in this chapter, but shall not include any period of time exceeding sixty days in any one year during which they were absent from the service except for disability.

In the event that a civil service employee has more than one classification or grade, the length of the employee's seniority rights shall date in the respective classifications or grades from and after the time the employee was appointed to or began employment in each classification or grade. In the event that an employee has been promoted from one classification or grade to another, the employee's civil service seniority rights shall be continuous in any department grade or classification that the employee formerly held.

A list of all civil service employees shall be prepared and posted in the city hall by the civil service commission on or before July 1 of each year, indicating the civil service standing of each employee as to the employee's seniority.
