

461A.53 Permits.

1. The commission may enter into agreements for the removal of ice, sand, gravel, stone, wood, or other natural material from lands or waters under the jurisdiction of the commission if, after investigation, it is determined that such removal will not be detrimental to the state's interest.

2. The commission may specify the terms and consideration under which such removal is permitted and issue written permits for such removal.

3. Notwithstanding subsection 2, the commission shall issue written permits with a royalty fee of ten cents per ton for the removal of sand and gravel for the purposes of flood control from state-owned lands and waters under the jurisdiction of the commission located on the Cedar river in a county with a population of more than one hundred twenty-seven thousand. This subsection is repealed on June 30, 2015.
