

468.355 Authorization.

The board of supervisors of any county or counties in which a drainage or levee district has been organized as by law provided, may establish and maintain a pumping station or stations, when and where the same may be necessary to secure a proper outlet for the drainage of the land comprising the district or any portion thereof, and the cost of construction and maintenance of said pumping station or stations shall be levied upon and collected from the lands in the district benefited by such pumping station or stations, in the same manner as provided for in the construction and maintenance of said districts.
