

468.561 Liens unimpaired.

When drainage refunding bonds are issued hereunder, nothing in this part shall be construed as impairing the lien of any unpaid drainage assessments or installments in such drainage district, the time of payment of which is not extended, nor shall this part be construed as impairing the priority of the lien thereof nor the right, duty, and power of the officers authorized by law to levy, collect, and apply the proceeds thereof to the payment of outstanding drainage bonds issued in anticipation of the collection thereof.
