

484B.7 Records — reports — inspections.

1. Each hunting preserve licensee shall keep the records and make the reports required on forms prepared and provided by the department. All records shall be open for inspection at any reasonable time by the department or its authorized agents.

2. Each licensee shall file an annual report with the department on or before April 30. The report shall detail the hunting preserve operations during the preceding license year. The original report shall be forwarded to the department and a copy shall be retained in the hunting preserve's file for three years from the date of expiration of the hunting preserve's last license issued. Records required by this section shall be entered in the annual report record within twenty-four hours of the event. Failure to keep or submit the required records and reports is grounds for refusal to renew a license for the succeeding year. An on-site inspection of property and facilities shall be conducted by an authorized agent of the department prior to the initial issuance of a hunting preserve license. The hunting preserve may be reinspected by an agent of the department at any reasonable time. A licensed hunting preserve shall maintain adequate facilities for all designated birds and ungulates held under the hunting preserve license.
