602.1304 Revenues — enhanced court collections fund.

1. Except as provided in article 8 and subsection 2 of this section, all fees and other revenues collected by judicial officers and court employees shall be paid into the general fund of the state.

2. a. The enhanced court collections fund is created in the state treasury under the authority of the supreme court. The fund shall be separate from the general fund of the state and the balance in the fund shall not be considered part of the balance of the general fund of the state. Notwithstanding section 8.33, moneys in the fund shall not revert to the general fund, unless and to the extent the total amount of moneys deposited into the fund in a fiscal year would exceed the maximum annual deposit amount established for the collections fund by the general assembly. The initial maximum annual deposit amount for a fiscal year is four million dollars. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys in the collections fund shall remain in the collections fund and any interest and earnings shall be in addition to the maximum annual deposit amount.

b. For each fiscal year, a judicial collection estimate for that fiscal year shall be equally and proportionally divided into a quarterly amount. The judicial collection estimate shall be calculated by using the state revenue estimating conference estimate made by December 15 pursuant to section 8.22A, subsection 3, of the total amount of fines, fees, civil penalties, costs, surcharges, and other revenues collected by judicial officers and court employees for deposit into the general fund of the state. The revenue estimating conference estimate shall be reduced by the maximum amounts allocated to the Iowa prison infrastructure fund pursuant to section 602.8108A, the court technology and modernization fund pursuant to section 602.8108, subsection 7, and the road use tax fund pursuant to section 602.8108, subsection 8, and the remainder shall be the judicial collection estimate. In each quarter of a fiscal year, after revenues collected by judicial officers and court employees equal to that quarterly amount are deposited into the general fund of the state, after the required amount is deposited during the quarter into the Iowa prison infrastructure fund pursuant to section 602.8108A, into the court technology and modernization fund pursuant to section 602.8108, subsection 7, and into the road use tax fund pursuant to section 602.8108, subsection 8, the director of the department of administrative services shall deposit the remaining revenues for that quarter into the enhanced court collections fund in lieu of the general fund. However, after total deposits into the collections fund for the fiscal year are equal to the maximum deposit amount established for the collections fund, remaining revenues for that fiscal year shall be deposited into the general fund. If the revenue estimating conference agrees to a different estimate at a later meeting which projects a lesser amount of revenue than the initial estimate amount used to calculate the judicial collection estimate, the director of the department of administrative services shall recalculate the judicial collection estimate accordingly. If the revenue estimating conference agrees to a different estimate at a later meeting which projects a greater amount of revenue than the initial estimate amount used to calculate the judicial collection estimate, the director of the department of administrative services shall recalculate the judicial collection estimate accordingly but only to the extent that the greater amount is due to an increase in the fines, fees, civil penalties, costs, surcharges, or other revenues allowed by law to be collected by judicial officers and court employees.

c. Moneys in the collections fund shall be used by the judicial branch for the Iowa court information system; records management equipment, services, and projects; other technological improvements; electronic legal research equipment, systems, and projects; and the study, development, and implementation of other innovations and projects that would improve the administration of justice. The moneys in the collection fund may also be used for capital improvements necessitated by the installation of or connection with the Iowa court information system, the Iowa communications network, and other technological improvements approved by the judicial branch.

1. District judges shall be nominated and appointed and shall stand for retention in office as provided in chapter 46. District judges shall qualify for office as provided in chapter 63.

2. A district judge must be a resident of the judicial election district in which appointed and retained. The formula shall be based upon a model that measures and applies an estimated case-related workload formula of judicial officers, and shall account for administrative duties, travel time, and other judicial duties not related to a specific case.

4. For purposes of this section, a vacancy means the death, resignation, retirement, or removal of a district judge, or the failure of a district judge to be retained in office at the judicial election, or an increase in judgeships under the formula prescribed in subsection 3.

5. In those judicial election districts having more district judges than the number of judgeships specified by the formula prescribed in subsection 3, vacancies shall not be filled.

8. An incumbent district judge shall not be removed from office because of a reduction in the number of authorized judgeships specified by the formula prescribed in subsection 3.

There shall be one district associate judge in counties having a population of more than thirty-five thousand and less than eighty thousand; two in counties having a population of eighty thousand or more and less than one hundred twenty-five thousand; three in counties having a population of one hundred twenty-five thousand or more and less than one hundred seventy thousand; four in counties having a population of one hundred seventy thousand or more and less than two hundred fifteen thousand; five in counties having a population of two hundred fifteen thousand or more and less than two hundred sixty thousand; six in counties having a population of two hundred sixty thousand or more and less than three hundred five thousand; seven in counties having a population of three hundred five thousand or more and less than three hundred fifty thousand; eight in counties having a population of three hundred fifty thousand or more and less than three hundred ninety-five thousand; nine in counties having a population of three hundred ninety-five thousand or more and less than four hundred forty thousand; ten in counties having a population of four hundred forty thousand or more and less than four hundred eighty-five thousand; and one additional judge for every population increment of thirty-five thousand which is over four hundred eighty-five thousand in such counties. However, a county shall not lose a district associate judgeship solely because of a reduction in the county's population. If the formula provided in this section results in the allocation of an additional district associate judgeship to a county, implementation of the allocation shall be subject to prior approval of the supreme court and availability of funds to the judicial branch. A district associate judge appointed pursuant to section 602.6302 or 602.6307 shall not be counted for purposes of this section and the reduction of a district associate judge pursuant to section 602.6303 also shall not be counted for purposes of this section.

602.6302 Appointment of district associate judge in lieu of magistrates.

1. The chief judge of the judicial district may designate by order of substitution that a district associate judge be appointed pursuant to this section in lieu of magistrates appointed under section 602.6403, subject to the following limitations:

a. The county in which the district associate judge is to be appointed, or the counties in which the district associate judge is to be appointed in combination, must have an apportionment of three or more magistrates.

b. The substitution must not result in a lack of a resident district associate judge or magistrate in one or more of the counties.

c. The substitution must be approved by the supreme court.

d. A majority of district judges in that judicial election district, or in the case of an appointment involving more than one judicial election district in the same judicial district, a majority of the district judges in each judicial election district, must vote in favor of the substitution and find that the substitution will provide more timely and efficient performance of judicial business within that judicial election district.

2. An order of substitution shall not take effect unless a copy of the order is received by the chairperson of the county magistrate appointing commission or commissions no later than May 31 of the year in which the substitution is to take effect. A copy of the order shall also be sent to the state court administrator.

3. For a county in which a substitution order is in effect, the number of magistrates actually appointed pursuant to section 602.6403 shall be reduced by three for each district associate judge substituted under this section. However, if the substitution order is for a district associate judge appointed to more than one county, the reduction of three magistrates shall be as provided in the order of the chief judge of the judicial district. Upon a subsequent reduction in the apportionment of magistrates to the county or counties, the magistrate appointing commission shall further reduce the number of magistrates appointed.

4. a. Except as provided in subsections 1 through 3, a substitution shall not increase or decrease the number of magistrates authorized by this article.

b. A substitution shall not be made where the apportionment of magistrates to a county is insufficient to permit the full reduction in appointments of magistrates as required by subsection 3.

5. If an apportionment by the state court administrator pursuant to section 602.6401 reduces the number of magistrates in the county or counties to less than the number required to be apportioned to allow a substitution order pursuant to subsection 1, or if a majority of the district judges in the judicial election district or districts determines that a substitution is no longer desirable, then the substituted office shall be terminated. However, a reversion pursuant to this subsection, irrespective of cause, shall not take effect until the substitute district associate judge fails to be retained in office at a judicial election or otherwise leaves office, whether voluntarily or involuntarily. Upon the termination of office of that district associate judge, appointments shall be made pursuant to section 602.6403 as necessary to reestablish terms of office as provided in section 602.6403, subsection 4.

b. The substitution shall be approved by the supreme court.

c. A majority of district judges in that judicial election district, or in the case of an appointment involving more than one judicial election district in the same judicial district, a majority of the district judges in each judicial election district, must vote in favor of the substitution and find that the substitution will provide more timely and efficient performance of judicial business within that judicial election district.

2. An order of substitution shall not take effect unless a copy of the order is received by the chairperson of the county magistrate appointing commission or commissions no later than May 31 of the year in which the substitution is to take effect. The order shall designate the county of appointment for each magistrate. A copy of the order shall also be sent to the state court administrator.

3. For a county in which a substitution order is in effect, the number of district associate judges actually appointed pursuant to section 602.6304 shall be reduced by one for each substitution order in effect.

4. Except as provided in subsections 1 through 3, a substitution shall not increase or decrease the number of district associate judges authorized by this article.

5. If a majority of the district judges in a judicial election district determines that a substitution is no longer desirable, then all three magistrate positions shall be terminated. However, a reversion pursuant to this subsection shall not take effect until the terms of the three magistrates expire. Upon the termination of the magistrate positions created under

this section, an appointment shall be made to reestablish the term of office for a district associate judge as provided in sections 602.6304 and 602.6305.

b. If a case number is not identified, the clerk shall apply the payment to the balance owed in the criminal case with the oldest judgment against the person.

Any amounts collected by the unit shall first be applied to the processing fee. The remaining amounts shall be remitted to the clerk of the district court for the county in which the debt is owed. The judicial branch may prescribe rules to implement this subsection. These rules may provide for remittance of processing fees to the department of revenue or its designee.

4. *County attorney collection.* The county attorney or the county attorney's designee may collect court debt sixty days after the court debt is deemed delinquent pursuant to subsection 2. In order to receive a percentage of the amounts collected pursuant to this subsection, the county attorney must file annually with the clerk of the district court on or before July 1 a notice of full commitment to collect delinquent court debt for all cases assigned to the county for collection by the court. f. Beginning July 1, 2010, and every fiscal year thereafter, amounts collected and distributed pursuant to this subsection shall be equal to or greater than twenty-five thousand dollars for each county or twenty-five thousand dollars in the aggregate for counties that have entered into an agreement pursuant to chapter 28E. If a county, or counties that have entered into a chapter 28E agreement, fails to meet the minimum threshold established in this paragraph, the county, or counties under the chapter 28E agreement, shall be ineligible to participate in the county attorney collection program the following fiscal year. In the event a county is ineligible to collect under this program, the county may apply to the state debt coordinator established in section 421C.1* to reenter the program following the fiscal year of ineligibility.

The judicial branch shall solicit requests for proposals prior to entering into any contract pursuant to this subsection.

b. The contract shall provide for a collection fee of up to twenty-five percent of the amount of the court debt in a case deemed delinquent. The collection fee as calculated shall be added to the amount of the court debt deemed delinquent. The amount of the court debt deemed delinquent and the collection fee shall be owed by and collected from the defendant. The collection fee shall be used to compensate the private collection designee. The contract may also assess the private collection designee an initial fee for entering into the contract.

(2) If the annuity begins after the sixty-fifth birthday of the judge, the dollar limitation shall be equal to an annual annuity benefit which is the actuarial equivalent of an annuity benefit commencing on the sixty-fifth birthday of the judge.

(3) If the annuity begins prior to the judge having ten years of creditable service, the dollar limitation, the one hundred percent of average compensation limitation, and the exception for an annuity benefit which is less than ten thousand dollars, shall be reduced by a fraction, the numerator of which is the total years and months of creditable service, and the denominator of which is ten.

A judge under this system who has at least four years of service as a judge of any of the courts included in this article and who was a member of the Iowa public employees' retirement system as provided in chapter 97B, but who was not retired under that system, upon submitting verification of membership and service in the Iowa public employees' retirement system to the court administrator, including proof that the judge has no further claim upon a retirement benefit from that public system, may make contributions as provided by this section to the system either for the entire period of service in the other public system, or for partial service in the other public system in increments of one or more calendar quarters, and receive credit for that service under the system.

The annuity shall begin on the judge's death or upon the survivor's reaching age sixty, whichever is later. However, a survivor less than sixty years old may elect to receive a decreased retirement annuity to begin on the judge's death by filing a written election with the state court administrator. The election is subject to the approval of the state court administrator. The judge shall make the election request in writing to the state court administrator prior to retirement. The election is subject to the approval of the state court administrator. The judge may revoke the election prior to retirement by written request to the state court administrator, but cannot revoke the election after retirement.

The optional retirement annuity shall be the actuarial equivalent of the amounts of the annuities payable to judges and survivors under sections 602.9107, 602.9115, 602.9204,

602.9208, and 602.9209. The actuarial equivalent shall be based on the mortality and interest assumptions set out in section 602.9107, subsection 3.

If the judge dies without a survivor, prior to retirement or prior to receipt in annuities of an amount equal to the total amount remaining to the judge's credit at the time of separation from service, the election is null and void and the refunding provisions of section 602.9108 apply.

If the judge dies with a survivor prior to retirement, the election remains valid and the survivor is entitled to receive the annuity beginning at the death of the judge.

If the judge dies with a survivor and the survivor subsequently dies prior to receipt in annuities by both the judge and the survivor of an amount equal to the total amount remaining to the judge's credit at the time of separation from service, the election remains valid and the refunding provision of section 602.9115 applies.

In addition, effective with the fiscal year beginning July 1, 2008, the actuarial valuation or actuarial update required to be conducted shall include information as required by section 97D.5. TRANSITION PROVISIONS

602.11101 Implementation by court component.

1. The state shall assume responsibility for components of the court system according to the following schedule:

a. On October 1, 1983, the state shall assume the responsibility for and the costs of jury fees and mileage as provided in section 607A.8 and on July 1, 1984, the state shall assume the responsibility for and the costs of prosecution witness fees and mileage and other witness fees and mileage assessed against the prosecution in criminal actions prosecuted under state law as provided in sections 622.69 and 622.72.

b. Court reporters shall become court employees on July 1, 1984. The state shall assume the responsibility for and the costs of court reporters on July 1, 1984.

c. Bailiffs who perform services for the court, other than law enforcement services, shall become court employees on January 1, 1985, and shall be called court attendants. The state shall assume the responsibility for and the costs of court attendants on January 1, 1985. Section 602.6601 takes effect on January 1, 1985.

d. (1) Juvenile probation officers shall become court employees on July 1, 1985. The state shall assume the responsibility for and the costs of juvenile probation officers on July 1, 1985.

(2) Until July 1, 1985, the county shall remain responsible for the compensation of

juvenile court referees. Effective July 1, 1985, the state shall assume the responsibility for the compensation of juvenile court referees.

e. (1) Clerks of the district court shall become court employees on July 1, 1986. The state shall assume the responsibility for and the costs of the offices of the clerks of the district court on July 1, 1986. Persons who are holding office as clerks of the district court on July 1, 1986, are entitled to continue to serve in that capacity until the expiration of their respective terms of office. The district judges of a judicial election district shall give first and primary consideration for appointment of a clerk of the district court to serve the court beginning in 1989 to a clerk serving on and after July 1, 1986, until the expiration of the clerk's elected term of office. A vacancy in the office of clerk of the district court occurring on or after July 1, 1986, shall be filled as provided in section 602.1215.

(2) Until July 1, 1986, the county shall remain responsible for the compensation of and operating costs for court employees not presently designated for state financing and for miscellaneous costs of the judicial branch related to furnishings, supplies, and equipment purchased, leased, or maintained for the use of judicial officers, referees, and their staff. Effective July 1, 1986, the state shall assume the responsibility for the compensation of and operating costs for court employees presently designated for state financing and for miscellaneous costs of the judicial branch related to furnishings, supplies, and equipment purchased, leased, or maintained for the use of judicial officers, referees, and their staff. However, the county shall at all times remain responsible for the provision of suitable courtrooms, offices, and other physical facilities pursuant to section 602.1303, subsection 1, including paint, wall covering, and fixtures in the facilities.

(3) Until July 1, 1986, the county shall remain responsible for the compensation of and operating costs for probate referees and judicial hospitalization referees and their staffs. Effective July 1, 1986, the state shall assume the responsibility for the compensation of and operating costs for probate referees and judicial hospitalization referees and their staffs.

(4) Until July 1, 1986, the county shall remain responsible for necessary fees and costs related to certain court reporters. Effective July 1, 1986, the state shall assume the responsibility for necessary fees and costs related to certain court reporters.

f. The county shall remain responsible for the court-ordered costs of conciliation procedures under section 598.16.

2. a. For the period beginning July 1, 1983, and ending June 30, 1987, the provisions of division I (articles 1 through 10) take effect only to the extent that the provisions do not conflict with the scheduled state assumption of responsibility for the components of the court system, and the amendments and repeals of divisions II and III take effect only to the extent necessary to implement that scheduled state assumption of responsibility. If an amendment or repeal to a Code section in division II or III is not effective during the period beginning July 1, 1983, and ending June 30, 1987, the Code section remains in effect for that period. On July 1, 1987, 1983 Iowa Acts, chapter 186, takes effect in its entirety.

b. However, if the state does not fully assume the costs for a fiscal year of a component of the court system in accordance with the scheduled assumption of responsibility, the state shall not assume responsibility for that component, and the schedule of state assumption of responsibility shall be delayed. The delayed schedule of state assumption of responsibility shall again be followed for the fiscal year in which the state fully assumes the costs of that component. For the fiscal year for which the state's assumption of the responsibility for a court component is delayed, the clerk of the district court shall not reduce the percentage remittance to the counties from the court revenue distribution account under section 602.8108. The clerk shall resume the delayed schedule of reductions in county remittances for the fiscal year in which the state fully assumes the costs of that court component. If the schedules of state assumption of responsibility and reductions in county remittances are delayed, the transition period beginning July 1, 1983, and ending June 30, 1987, is correspondingly lengthened, and 1983 Iowa Acts, chapter 186, takes effect in its entirety only at the end of the lengthened transition period.

3. The supreme court shall prescribe temporary rules, prior to the dates on which the state assumes responsibility for the components of the court system, as necessary to implement the administrative and supervisory provisions of 1983 Iowa Acts, chapter 186,

and as necessary to determine the applicability of specific provisions of 1983 Iowa Acts, chapter 186, in accordance with the scheduled state assumption of responsibility for the components of the court system.

602.11102 Accrued employee rights.

1. Persons who were paid salaries by the counties or judicial districts immediately prior to becoming state employees as a result of this chapter shall not forfeit accrued vacation, accrued sick leave, or longevity, except as provided in this section.

2. As a part of its rulemaking authority under section 602.11101, the supreme court, after consulting with the state comptroller, shall prescribe rules to provide for the following:

a. Each person referred to in subsection 1 shall have to the person's credit as a state employee commencing on the date of becoming a state employee the number of accrued vacation days that was credited to the person as a county employee as of the end of the day prior to becoming a state employee.

b. Each person referred to in subsection 1 shall have to the person's credit as a state employee commencing on the date of becoming a state employee the number of accrued days of sick leave that was credited to the person as a county employee as of the end of the day prior to becoming a state employee. However, the number of days of sick leave credited to a person under this subsection and eligible to be taken when sick or eligible to be received upon retirement shall not respectively exceed the maximum number of days, if any, or the maximum dollar amount as provided in section 70A.23 that state employees generally are entitled to accrue or receive according to rules in effect as of the date the person becomes a state employee.

c. Commencing on the date of becoming a state employee, each person referred to in subsection 1 is entitled to claim the person's most recent continuous period of service in full-time county employment as full-time state employment for purposes of determining the number of days of vacation which the person is entitled to earn each year. The actual vacation benefit, including the limitation on the maximum accumulated vacation leave, shall be determined as provided in section 70A.1 according to rules in effect for state employees of comparable longevity, irrespective of any greater or lesser benefit as a county employee.

d. Notwithstanding paragraphs "b" and "c", for the period beginning July 1, 1984, and ending June 30, 1986, court reporters who become state employees as a result of this chapter are not subject to the sick leave and vacation accrual limitations generally applied to state employees. However, court reporters are subject to the maximum dollar limitation upon retirement as provided in section 70A.23.

Persons who were covered by county employee life insurance and accident and health insurance plans prior to becoming state employees as a result of this chapter shall be permitted to apply prior to becoming state employees for life insurance and health and accident insurance plans that are available to state employees so that those persons do not suffer a lapse of insurance coverage as a result of this chapter. The supreme court, after consulting with the state comptroller, shall prescribe rules and distribute application forms and take other actions as necessary to enable those persons to elect to have insurance coverage that is in effect on the date of becoming state employees. The actual insurance coverage available to a person shall be determined by the plans that are available to state employees, irrespective of any greater or lesser benefits as a county or judicial district employee.

Commencing on the date of becoming a state employee, each person referred to in this section is entitled to claim the person's most recent continuous period of service in

full-time county or judicial district employment as full-time state employment for purposes of determining disability benefits as provided in section 70A.20 according to rules in effect for state employees of comparable longevity, irrespective of any greater or lesser benefit as a county or judicial district employee.

The employer seeking to fill the new position or vacancy shall submit a request to the chief judge in the form prescribed by the supreme court, and shall be governed by the decision of the chief judge. An employer wishing to take any of these actions shall apply to the chief judge in a writing that discloses the proposed action, the reasons for the action, and the statutory or other authority for the action. The chief judge shall not approve any proposed action that is in violation of an employee’s rights or that is extraordinary when compared with customary practices and procedures of the employer. Commencing on the date when each category of employees becomes state employees as a result of this Act,* public property referred to in subsection 2 that on the day prior to that date is in the custody of a person or agency referred to in subsection 3 shall not become property of the judicial branch but shall be devoted for the use of the judicial branch in its course of business. The judicial branch shall only be responsible for maintenance contracts or contracts for purchase entered into by the judicial branch. Upon replacement of the property by the judicial branch, the property shall revert to the use of the appropriate county. However, if the property is personal property of a historical nature, the property shall not become property of the judicial branch, and the county shall make the property available to the judicial branch for the judicial branch’s use within the county courthouse until the court no longer wishes to use the property, at which time the property shall revert to the use of the appropriate county.

Those counties that were providing computer services to the district court shall continue to provide these services until the general assembly provides otherwise. The state shall reimburse these counties for the cost of providing these services. Each county providing computer services to the district court shall submit a bill for these services to the supreme court at the end of each calendar quarter. Reimbursement shall be payable from funds appropriated to the supreme court for operating expenses of the district court, and shall be paid within thirty days after receipt by the supreme court of the quarterly billing.

5. Personal property of a type that is subject to subsections 1 through 3 shall be subject to the control of the chief judge of the judicial district commencing on the date when each category of employees becomes state employees as a result of this Act.* On and after that date the chief judge of the judicial district may issue necessary orders to preserve the use of the property by the district court. 602.11108 Collective bargaining.

A person who becomes a state employee as a result of this chapter is a public employee, as defined in section 20.3, subsection 9, for purposes of chapter 20. The person may bargain collectively on and after July 1, 1983, as provided by law for a court employee. However, if the person is subject to a collective bargaining agreement negotiated prior to July 1, 1983, the person is entitled to the rights and benefits obtained by the person pursuant to that contract after July 1, 1983, until that contract expires. If the person is subject to a collective bargaining agreement negotiated by a public employer other than the state court administrator on or after July 1, 1983, the person is not entitled to any rights or benefits obtained by the person pursuant to that contract after becoming a state employee.

Commencing one year prior to each category of employees becoming state employees as a result of this chapter, the state court administrator shall assume the position of public employer of those employees of that category for the sole purpose of negotiating a collective bargaining agreement with those employees to be effective upon the date those employees became state employees as a result of this chapter.

The supreme court administrator shall apportion to judicial election district 5C those incumbent district judges who were appointed to replace district judges residing in Polk county or who were appointed to fill newly created judgeships while residing in Polk county. The incumbent district judges residing in Polk county on January 1, 1985, who are not so apportioned to judicial election district 5C shall be apportioned to judicial election district 5A but shall be reapportioned to judicial election district 5C, in the order of their seniority as district judges, as soon as the first vacancies occur in judicial election district 5C due to death, resignation, retirement, removal, or failure of retention. Such a reapportionment constitutes a vacancy in judicial election district 5A for purposes of section 602.6201. Notwithstanding section 602.6201, subsection 2, the seventeen incumbent district judges in judicial election district 5A on December 31, 1984, shall stand for retention in the judicial election district to which the district judges are apportioned or reapportioned under this section. Commencing on January 1, 1985, vacancies within judicial election districts 5A and 5C shall be determined and filled under section 602.6201, subsections 4 through 8. For purposes of the recomputations, the supreme court administrator shall determine the average case filings for the latest available three-year period by reallocating the actual case filings during the three-year period to judicial election districts 5A and 5C as if they existed throughout the three-year period.
