

633.20D Associate probate judge — jurisdiction — appeals.

1. An associate probate judge shall have the same jurisdiction to conduct probate court proceedings, to issue no-contact or protective orders, injunctions, contempt orders for adults in probate court proceedings, and to issue orders, findings, and decisions as the judge of the probate court. However, the chief judge may limit the exercise of probate court jurisdiction by the associate probate judge.

2. The parties to a proceeding heard by an associate probate judge are entitled to appeal the order, finding, or decision of an associate probate judge, in the manner of an appeal from orders, findings, or decisions of district court judges. An appeal does not automatically stay the order, finding, or decision of an associate probate judge.
