

691.2 Presumption of qualification — evidence — testimony.

It shall be presumed that any employee or technician of the criminalistics laboratory is qualified or possesses the required expertise to accomplish any analysis, comparison, or identification done by the employee in the course of the employee's employment in the criminalistics laboratory. Any report, or copy of a report, or the findings of the criminalistics laboratory shall be received in evidence, if determined to be relevant, in any court, preliminary hearing, grand jury proceeding, civil proceeding, administrative hearing, and forfeiture proceeding in the same manner and with the same force and effect as if the employee or technician of the criminalistics laboratory who accomplished the requested analysis, comparison, or identification had testified in person.

A party or the party's attorney may request that an employee or technician testify in person at a criminal trial, administrative hearing, or forfeiture proceeding on behalf of the state or the adverse agency of the state, by notifying the proper county attorney, or in the case of an administrative proceeding the adverse agency, at least ten days before the date of the criminal trial, administrative hearing, or forfeiture proceeding. A party or the party's attorney in any other civil proceeding may require an employee or technician to testify in person pursuant to a subpoena.
