The fund shall consist of any moneys appropriated by the general assembly for deposit in the fund and moneys received from the sale of alcoholic liquors by the division, from the issuance of permits and licenses, and of moneys and receipts received by the division from any other source.

2. a. The director of the department of administrative services shall periodically transfer from the beer and liquor control fund to the general fund of the state those revenues of the division which are not necessary for the purchase of liquor for resale by the division, or for remittances to local authorities or other sources as required by [this chapter](#), or for other obligations and expenses of the division which are paid from such fund.

b. All moneys received by the division from the issuance of vintner's certificates of compliance and wine permits shall be transferred by the director of the department of administrative services to the general fund of the state.

3. Notwithstanding [subsection 2](#), if gaming revenues under [sections 99D.17 and 99F.11](#) are insufficient in a fiscal year to meet the total amount of such revenues directed to be deposited in the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during the fiscal year pursuant to [section 8.57, subsection 5](#), paragraph "e", the difference shall be paid from moneys deposited in the beer and liquor control fund prior to transfer of such moneys to the general fund pursuant to [subsection 2](#) and prior to the transfer of such moneys pursuant to [subsections 5 and 6](#). If moneys deposited in the beer and liquor control fund are insufficient during the fiscal year to pay the difference, the remaining difference shall be paid from moneys deposited in the beer and liquor control fund in subsequent fiscal years as such moneys become available.

4. The treasurer of state shall, each quarter, prepare an estimate of the gaming revenues and of the moneys to be deposited in the beer and liquor control fund that will become available during the remainder of the appropriate fiscal year for the purposes described in [subsection 3](#). The department of management, the department of inspections and appeals, and the department of commerce shall take appropriate actions to provide that the sum of the amount of gaming revenues available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during a fiscal year and the amount of moneys to be deposited in the beer and liquor control fund available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during such fiscal year will be sufficient to cover any anticipated deficiencies.

5. After any transfer provided for in [subsection 3](#) is made, the department of commerce shall transfer into a special revenue account in the general fund of the state, a sum of money at least equal to seven percent of the gross amount of sales made by the division from the beer and liquor control fund on a monthly basis but not less than nine million dollars annually. Of the amounts transferred, two million dollars, plus an additional amount determined by the general assembly, shall be appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under [chapter 125](#) for substance abuse treatment and prevention programs. Any amounts received in excess of the amounts appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under [chapter 125](#) shall be considered part of the general fund balance.

6. After any transfers provided for in [subsections 3 and 5](#), the department of commerce shall transfer to the division from the beer and liquor control fund and before any other transfer to the general fund, an amount sufficient to pay the costs incurred by the division for collecting and properly disposing of the liquor containers.
