

161A.38 New classification.

After a subdistrict has been established and the improvements thereof constructed and put in operation, if the governing body shall find that the original assessments are not equitable as a basis for the expenses of any enlargement or extension thereof which may have become necessary, they shall order a new classification of all lands in said subdistrict by resolution, and appoint three appraisers, which shall meet the same requirements as set forth in [section 161A.23](#).

Upon the completion of the reclassification, those affected by such reclassification shall have the right to appeal as hereinabove set forth.
