

**196.10 Labeling.**

Sections 189.9 to 189.12 shall apply to the labeling of packaged eggs which have been candled and graded if not inconsistent with the provisions of [this chapter](#). All cases of loose packed eggs sold in this state shall identify the egg handler's name or license number or United States department of agriculture plant number, and the grade of the eggs contained in the case. Each carton containing eggs for retail sale in Iowa which have been candled and graded shall be marked with the grade and size of the eggs contained, the date they were packed, and the name and address of the distributor or packer.
