

230.6 Investigation by administrator.

The administrator shall immediately investigate the residency of a patient and proceed as follows:

1. If the administrator concurs with a certified determination of residency concerning the patient, the administrator shall cause the patient either to be transferred to a state hospital for persons with mental illness at the expense of the state, or to be transferred, with approval of the court as required by [chapter 229](#) to the place of foreign residence.

2. If the administrator disputes a certified legal residency determination, the administrator shall order the patient to be maintained at a state hospital for persons with mental illness at the expense of the state until the dispute is resolved.

3. If the administrator disputes a residency determination, the administrator shall utilize the procedure provided in [section 331.394](#) to resolve the dispute. A determination of the person's residency status made pursuant to [section 331.394](#) is conclusive.
