

230A.109 Funding — legislative intent.

1. It is the intent of the general assembly that public funding for community mental health centers designated in accordance with [this chapter](#) shall be provided as a combination of all funding sources.

2. It is the intent of the general assembly that the state funding provided to centers be a sufficient amount for the core services and support addressing the basic mental health and safety needs of the residents of the catchment area served by each center to be provided regardless of individual ability to pay for the services and support.

3. While a community mental health center must comply with the core services requirements and other standards associated with designation, provision of services is subject to the availability of a payment source for the services.
