

261A.32 Legislative findings.

The general assembly finds:

1. For the benefit of the people of the state of Iowa, the increase of their commerce, welfare, and prosperity, and the improvement of their health and living conditions, it is essential that this and future generations of youth be given the greatest opportunity to learn and to fully develop their intellectual and mental capacities and skills.

2. To achieve these ends it is of the utmost importance that educational institutions within the state be provided with appropriate additional means of assisting the youth in achieving the required levels of learning and development of their intellectual and mental capacities and skills through new or enhanced physical facilities and equipment at these institutions.

3. The financing and refinancing of educational facilities, through means as described in [this division](#), other than the appropriation of public funds to institutions, is a valid public purpose.
