426C.4 Eligibility and amount of credit.

1. a. Except as provided in paragraph "b", parcels classified and taxed as commercial property, industrial property, or railway property under [chapter 434](#) are eligible for a credit under [this chapter](#). A person may claim and receive one credit under [this chapter](#) for each eligible parcel unless the parcel is part of a property unit for which a credit is claimed. A person may claim and receive one credit under [this chapter](#) for each property unit. A credit approved for a property unit shall be allocated to the several parcels within the property unit in the proportion that each parcel's total amount of property taxes due and payable bears to the total amount of property taxes due and payable on the property unit. Only property units comprised of property assessed as commercial property, industrial property, or railway property under [chapter 434](#) are eligible for a credit under [this chapter](#). The classification of property used to determine eligibility for the credit under [this chapter](#) shall

be the classification of the property for the assessment year used to calculate the taxes due and payable in the fiscal year for which the credit is claimed.

b. All of the following shall not be eligible to receive a credit under [this chapter](#) or be part of a property unit that receives a credit under [this chapter](#):

(1) Property that is rented or leased to low-income individuals and families as authorized by section 42 of the Internal Revenue Code, as amended.

(2) For credits claimed for the fiscal year beginning July 1, 2014, and the fiscal year beginning July 1, 2015, property that is a mobile home park, manufactured home community, land-leased community, assisted living facility, as those terms are defined in [section 441.21, subsection 13](#), or that is property primarily used or intended for human habitation containing three or more separate dwelling units.

2. Using the actual value of each parcel or property unit and the consolidated levy rate for each parcel or the average consolidated levy rate for each property unit, as certified by the county auditor to the department under [section 426C.3, subsection 5](#), the department shall calculate, for each fiscal year, an initial amount of actual value for use in determining the amount of the credit for each such parcel or property unit so as to provide the maximum possible credit according to the credit formula and limitations under [subsection 3](#), and to provide a total dollar amount of credits against the taxes due and payable in the fiscal year equal to ninety-eight percent of the moneys in the fund following the deposit of the appropriation for the fiscal year and including interest or earnings credited to the fund.

3. a. The amount of the credit for each parcel or property unit for which a claim for credit under [this chapter](#) has been approved shall be calculated under paragraph “b” using the lesser of the initial amount of actual value determined by the department under [subsection 2](#), and the amount of actual value of the parcel or property unit certified by the county auditor under [section 426C.3, subsection 5](#).

b. The amount of the credit for each parcel or property unit for which a claim for credit under [this chapter](#) has been approved shall be equal to the product of the amount of actual value determined under paragraph “a” times the difference, stated as a percentage, between the assessment limitation percentage applicable to the parcel or property unit under [section 441.21, subsection 5](#), and the assessment limitation percentage applicable to residential property under [section 441.21, subsection 4](#), divided by one thousand dollars, and then multiplied by the consolidated levy rate or average consolidated levy rate per one thousand dollars of taxable value applicable to the parcel or property unit for the fiscal year for which the credit is claimed as certified by the county auditor under [section 426C.3, subsection 5](#).

426C.5 Payment to counties.

1. Annually the department shall certify to the county auditor of each county the amounts of the business property tax credits allowed in the county. Each county auditor shall then enter the credits against the tax levied on each eligible parcel or property unit in the county, designating on the tax lists the credit as being paid from the fund. Each taxing district shall receive its share of the business property tax credit allowed on each eligible parcel or property unit in such taxing district in the proportion that the levy made by such taxing district upon the parcel or property unit bears to the total levy upon the parcel or property unit by all taxing districts. However, the several taxing districts shall not draw the moneys so credited until after the semiannual allocations have been received by the county treasurer, as provided in [this section](#). Each county treasurer shall show on each taxpayer receipt the amount of credit received from the fund.

2. The director of revenue shall authorize the department of administrative services to draw warrants on the fund payable to the county treasurers of the several counties of the state in the amounts certified by the department.

1. If the board of supervisors disallows a claim for credit under [section 426C.3, subsection 4](#), the board of supervisors shall send written notice, by mail, to the claimant at the claimant's last known address. The notice shall state the reasons for disallowing the claim for the credit. The board of supervisors is not required to send notice that a claim for credit is disallowed if the claimant voluntarily withdraws the claim. Any person whose claim is disallowed under the provisions of [this chapter](#) may appeal from the action of the board of supervisors to the district court of the county in which the parcel or property unit is located by giving written notice of such appeal to the county auditor within twenty days from the date of mailing of notice of such action by the board of supervisors.

2. If a claim for credit is disallowed by the board of supervisors, and such action is subsequently reversed on appeal, the credit shall be allowed on the applicable parcel or property unit, and the director of revenue, the county auditor, and the county treasurer shall provide the credit and change their books and records accordingly. In the event the claimant has paid one or both of the installments of the tax payable in the year or years in question, remittance shall be made to the claimant of the amount of such credit. The amount of such credit awarded on appeal shall be allocated and paid from the balance remaining in the fund.

The director shall not adjust a credit after three years from October 31 of the year in which the claim for the credit was filed. If the credit has been paid, the director shall give notification to the claimant, the county treasurer, and the applicable assessor of the recalculation or denial of the credit and the county treasurer shall proceed to collect the tax owed in the same manner as other property taxes due and payable are collected, if the parcel or property unit for which the credit was allowed is still owned by the claimant. If the parcel or property unit for which the credit was allowed is not owned by the claimant, the amount may be recovered from the claimant by assessment in the same manner that income taxes are assessed under sections [422.26](#) and [422.30](#). The amount of such erroneous credit, when collected, shall be deposited in the fund.

2. The claimant or board of supervisors may appeal any decision of the director of revenue to the state board of tax review pursuant to [section 421.1, subsection 5](#). The claimant, the board of supervisors, or the director of revenue may seek judicial review of the action of the state board of tax review in accordance with [chapter 17A](#).
