

**502.409 Withdrawal of registration of broker-dealer, agent, investment adviser, and investment adviser representative — cessation of business — abandoned filings.**

1. *Withdrawal of registration.* Withdrawal of registration by a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective sixty days after the filing of the application to withdraw or within any shorter period as provided by rule adopted or order issued under [this chapter](#) unless a revocation or suspension proceeding is pending when the application is filed. If a proceeding is pending, withdrawal becomes effective when and upon such conditions as required by rule adopted or order issued under [this chapter](#). The administrator may institute a disciplinary action under [section 502.412](#), including an action to revoke, suspend, condition, or limit the registration of a registrant, censure, impose a bar, or impose a civil penalty, within two years after the withdrawal became effective automatically and issue a disciplinary order as of the last date on which registration was effective if a proceeding is not pending.

2. *Ceasing to do business and abandoned filings.* If the administrator finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after search, the administrator may by order revoke the registration or application. If the administrator finds that the applicant for registration or registrant has abandoned the application or registration, the administrator may enter an order of abandonment, and limit or eliminate further consideration of the application or registration, as provided by the administrator. The administrator may enter an order under [this subsection](#) if notice is sent to the applicant or registrant, and either the administrator does not receive a response by the applicant or registrant within forty-five days from the date that the notice was delivered, or action is not taken by the applicant or registrant within the time specified by the administrator in the notice, whichever is later.
