[This chapter](#) shall be known as the “Insurance Assistance Act”.
[86 Acts, ch 1211, §26](#)

507D.2 Collection and analysis of information.

The commissioner of insurance may adopt rules pursuant to [chapter 17A](#) for the collection of necessary additional information relating to the availability, obtainability, costs, profits, and losses associated with the provision of property, casualty, product, professional, or other liability insurance within the state, and relating to the feasibility and implementation of market assistance programs, mandatory risk allocation programs, risk-sharing programs, risk management programs, or any other authorized program under [section 507D.3](#).

The commissioner shall provide for the analysis of such information gathered pursuant to this or any other section and shall make such analysis available to the general assembly on an annual basis.

[86 Acts, ch 1211, §27](#)

Referred to in [§507D.4](#)

507D.3 Authorized assistance programs.

The commissioner of insurance is authorized to institute programs, order the institution of programs within the private sector, or to contract with or delegate authority to the department of administrative services for the institution of programs relating to insurance assistance including, but not limited to, the following:

1. The development and implementation of a market assistance program to facilitate, arrange, or provide for the acquisition of property, casualty, product, professional, or other liability insurance coverage for all persons or entities seeking such coverage but for which the coverage is presently unavailable or unobtainable to the person or entity.

2. The development and implementation of a mandatory risk allocation system for property, casualty, product, professional, or other liability insurance, except asbestos and environmental impairment liability, in order to assure that all persons or entities for which such insurance is essential may obtain such insurance from insurers authorized to do business within this state.

3. The development and implementation of a risk-sharing program to assist and advise persons or entities seeking property, casualty, product, professional, or other liability insurance, except asbestos and environmental impairment liability, on the most efficient manner in which to share or pool similar risks in order to obtain essential insurance coverage at the minimum cost.

4. The development and implementation of a risk management program for persons or entities to which property, casualty, product, professional, or other liability insurance is essential, such program to include at a minimum the following:

- a. Assistance in developing and maintaining loss and loss exposure data on such liability risks.

- b. Recommendations regarding risk reduction and risk elimination programs.

- c. Recommendations of those practices which will permit protection against such losses at the lowest costs, consistent with good underwriting practices and sound risk management techniques.

5. [Subsections 2 and 3](#) shall have no application or effect after July 1, 1991.

6. An assistance program for the facilitation of insurance and financial responsibility

coverage for owners and operators of underground storage tanks which store petroleum shall not be affected by the exceptions of [subsections 2 and 3](#).

[86 Acts, ch 1211, §28](#); [87 Acts, ch 225, §601](#); [88 Acts, ch 1134, §94](#); [89 Acts, ch 76, §9](#); [2003 Acts, ch 145, §286](#)

Referred to in [§507D.2](#), [§507D.4](#)

507D.4 Financing of assistance programs.

The insurance commissioner may, by rule, provide for the financing, as necessary, for any or all programs under [sections 507D.2](#) and [507D.3](#) by the assessment of fees to insurers authorized to write property, casualty, product, professional, or other liability insurance within this state. The commissioner of insurance may assess fees and charges against persons or entities for costs incurred in providing assistance to the person or entity pursuant to [section 507D.3](#). Fees collected pursuant to such rules shall be used solely for the purposes of the program for which assessed, and are not to be transmitted to the general fund or used for any other purposes.

[86 Acts, ch 1211, §29](#)

507D.5 Rate adjustment review.

The commissioner of insurance shall conduct a rate adjustment review for all insurers authorized to write property, casualty, product, professional, or other liability insurance within this state and who make a request for rate adjustment regarding such insurance. The commissioner of insurance may employ or contract with actuarial consultants as necessary to review the request. The person conducting the review shall report to the commissioner as to the advisability of the adjustment requested.

The reasonable fees and expenses of an actuarial consultant employed or contracted by the commissioner of insurance for purposes of a rate adjustment review shall be assessed against and paid by the person requesting such rate adjustment.

[86 Acts, ch 1211, §30](#)

507D.6 Continuing studies.

The commissioner of insurance is authorized to conduct such further surveys, market reviews, data collection and analysis, studies of a mandatory risk allocation system and a risk-sharing program and such other studies as the commissioner deems necessary for the proper implementation of [this chapter](#).

[86 Acts, ch 1211, §31](#)
