

633.496 Foreign probated wills.

A will probated in any other state or country shall be admitted to probate in this state upon the production of a copy thereof and of the original record of probate, authenticated by the certificate of the clerk of the court in which such probate was made, or, if there be no clerk, then by the certificate of the judge of such court, and by the seal of office of such officer if the officer or office has a seal.
