

87.10 Other policy requirements.

Every policy issued by an insurance corporation, association, or organization to insure the payment of compensation shall contain a clause providing that between any employer and the insurer, notice to and knowledge of the occurrence of injury or death on the part of the insured shall be notice and knowledge on the part of the insurer; and jurisdiction of the insured shall be jurisdiction of the insurer, and the insurer shall be bound by every agreement, adjudication, award or judgment rendered against the insured.
