88B.4 Permit — term, renewal, and records required.

- 1. A permit expires on the first anniversary of its effective date, unless it is renewed for a one-year term as provided in this section.
- 2. At least one month before the permit expires, the division shall send to the permittee, at the last known address of the permittee, a renewal notice that states all of the following:
 - a. The date on which the current permit expires.
- b. The date by which the renewal application must be received by the division for the renewal to be issued and mailed before the permit expires.
 - c. The amount of the renewal fee.
- 3. Before the permit expires, the permittee may renew it for an additional one-year term, if the business entity meets the following conditions:
 - a. Is otherwise entitled to a permit.
 - b. Submits a renewal application to the division in the form required by the division.
 - c. Pays the renewal fee prescribed by the division.
- 4. The permittee shall keep a record of each asbestos project it performs and shall make the record available to the division at any reasonable time. Records shall contain information and be kept for a time prescribed in rules adopted by the division.
