

8B.15 Billing — credit card payments.

1. The chief information officer may bill a governmental entity for services rendered by the office in accordance with the duties of the office as provided in [this chapter](#). Bills may include direct, indirect, and developmental costs which have not been funded by an appropriation to the office. The office shall periodically render a billing statement to a governmental entity outlining the cost of services provided to the governmental entity. The amount indicated on the statement shall be paid by the governmental entity and amounts received by the office shall be considered repayment receipts as defined in [section 8.2](#), and deposited into the accounts of the office.

2. In addition to other forms of payment, a person may pay by credit card for services provided by the office, according to rules adopted by the treasurer of state. The credit card fees to be charged shall not exceed those permitted by statute. A governmental entity may adjust its payment to reflect the costs of processing as determined by the treasurer of state. The discount charged by the credit card issuer may be included in determining the fees to be paid for completing a financial transaction under [this section](#) by using a credit card. All credit card payments shall be credited to the fund used to account for the services provided.
