

142A.11 Application for services — minors.

A minor who is twelve years of age or older shall have the legal capacity to act and give consent to the provision of tobacco cessation coaching services pursuant to a tobacco cessation telephone and internet-based program approved by the department. Consent shall not be subject to later disaffirmance by reason of such minority. The consent of another person, including but not limited to the consent of a spouse, parent, custodian, or guardian, shall not be necessary.
