The department of management shall determine the amount deducted from each school district in an area education agency on a proportional basis. The department of management shall determine from the amounts deducted from the portions of school district budgets that fund area education agency special education support services the amount that would have been local property taxes and the amount that would have been state aid and for the next following budget year shall increase the district's total state school aid available under [this chapter](#) for area education agency special education support services and reduce the district's property tax levy for area education agency special education support services by the amount necessary for the property tax portion of the deductions made under [this section](#) during the budget year.

The amount deducted from a school district's budget shall not affect the calculation of the state cost per pupil or its district cost per pupil in that school year or a subsequent year.
