459.320 Exception from regulation — election for confinement feeding operations confining fish.

A person who exclusively confines fish as part of a confinement feeding operation may elect to comply with the permitting requirements of section 455B.183 in lieu of the permitting requirements of this subchapter.

2012 Acts, ch 1085, §3

Compliance with applicable national pollutant discharge elimination system permit provisions required, see 2012 Acts, ch 1085, §4
