b. Arranging the provision of major elective surgery or any other nonemergency major medical procedure. For the purposes of this paragraph, "*major elective surgery*" and "*nonemergency major medical procedure*" do not include the provision to the ward of professional care, counseling, treatment, or services limited to the provision of routine physical and dental examinations and procedures under anesthesia, if the use of anesthesia is necessitated by the physical or mental disability of the ward, and if the anesthesia is provided within the scope of the health care practitioner's scope of practice.

In that event, the court shall state those areas of responsibility which shall be supervised by the guardian and all others shall be retained by the ward. The court may make a finding that the ward lacks the capacity to contract a valid marriage.

5. From time to time, upon a proper showing, the court may modify the respective responsibilities of the guardian and the ward, after notice to the ward and an opportunity to be heard. Any modification that would be more restrictive or burdensome for the ward shall be based on clear and convincing evidence that the ward continues to fall within the categories of [section 633.552, subsection 2](#), paragraph "a" or "b", and that the facts justify a modification of the guardianship. [Section 633.551](#) applies to the modification proceedings.
