

11.24 Review of entities receiving public moneys.

1. The auditor of state may, at the request of a department, review, during normal business hours upon reasonable notice of at least twenty-four hours, the audit working papers prepared by a certified public accountant covering the receipt and expenditure of state or federal funds provided by the department to any other entity to determine if the receipt and expenditure of those funds by the entity is consistent with the laws, rules, regulations, and contractual agreements governing those funds. Upon completion of the review, the auditor of state shall report whether, in the auditor of state's judgment, the auditor of state believes the certified public accountant's working papers adequately demonstrate that the laws, rules, regulations, and contractual agreements governing the funds have been substantially complied with. If the auditor of state does not believe the certified public accountant's working papers adequately demonstrate that the laws, rules, regulations, and contractual agreements have been substantially complied with or believes a complete or partial reaudit is necessary based on the provisions of [section 11.6, subsection 4](#), paragraph "a", subparagraph (1) or (2), the auditor of state shall notify the certified public accountant and the department of the actions the auditor of state believes are necessary to determine whether the entity is in substantial compliance with those laws, rules, regulations, and contractual agreements. The auditor of state may assist departments with actions to determine whether the entity is in substantial compliance. Departments requesting the review shall reimburse the auditor of state for the cost of the review and any subsequent assistance provided by the auditor of state.

2. The auditor of state may, at the request of a department, review the records covering the receipt and expenditure of state or federal funds provided by the department to any other entity which has not been audited by a certified public accountant to determine if the receipt and expenditure of those funds by the entity is consistent with the laws, rules, regulations, and contractual agreements governing those funds. Upon completion of the review, the auditor of state shall report whether, in the auditor of state's judgment, the auditor of state believes the entity adequately demonstrated that the laws, rules, regulations, and contractual agreements governing the funds have been substantially complied with. If the auditor of state does not believe the entity adequately demonstrated that the laws, rules, regulations, and contractual agreements have been substantially complied with, the auditor of state shall notify the department of the actions the auditor of state believes are necessary to determine whether the entity is in substantial compliance with those laws, rules, regulations, and contractual agreements. The auditor of state may assist a department with actions to determine whether the entity is in substantial compliance. Departments requesting the review shall reimburse the auditor of state for the cost of the review and any subsequent assistance provided by the auditor of state.

3. When, in the auditor of state's judgment, the auditor of state finds that sufficient information is available to demonstrate that an entity receiving state or federal funds from a department may not have substantially complied with the laws, rules, regulations, and contractual agreements governing those funds, the auditor of state shall notify the department providing those funds to the entity of the auditor of state's finding. The department shall cooperate with the auditor of state to establish actions to be taken to determine whether substantial compliance with those laws, rules, regulations, and contractual agreements has been achieved by the entity receiving the state or federal funds from the department. Departments providing the state or federal funds shall reimburse the auditor of state for any actions taken by the auditor of state to determine whether the entity has substantially complied with the laws, rules, regulations, and contractual agreements governing the funds provided by the department for costs expended after the date the auditor of state notifies the department of an issue involving substantial compliance pursuant to the requirements of [this subsection](#).
