154F.3 Requirements for license.

Each applicant for a license as a speech pathologist or audiologist shall meet all of the following requirements:

- 1. For a license as a speech pathologist:
- a. Possess a master's degree from an accredited school, college, or university with a major in speech pathology.
- b. Show evidence of completion of not less than four hundred hours of supervised clinical training in speech pathology as a student in an accredited school, college, or university.
- c. Show evidence of completion of not less than nine months' clinical experience under the supervision of a licensed speech pathologist following the receipt of the master's degree.
 - 2. For a license as an audiologist:
- a. Possess a master's degree from an accredited school, college, or university with a major in audiology.
- b. Show evidence of completion of not less than four hundred hours of supervised clinical training in audiology as a student in an accredited school, college, or university.
- c. Show evidence of completion of not less than nine months' clinical experience under the supervision of a licensed audiologist following the receipt of the master's degree.
- d. In lieu of paragraphs "a" through "c", hold a doctoral degree in audiology from an accredited school, college, or university which incorporates the academic coursework and the minimum hours of supervised training required by rules adopted by the board.
 - 3. Pass an examination as determined by the board in rule.
