

166B.3 Appraisal and indemnification.

The department shall appraise any swine destroyed or ordered destroyed pursuant to [this chapter](#) at not to exceed current market value and shall indemnify the owner of such swine in an amount not to exceed two hundred dollars for purebred, inbred or hybrid or breeding swine; and not to exceed one hundred dollars for all other swine, provided that fifty percent or more of all such indemnities are paid by the United States department of agriculture.
