- j. On a vehicle being operated as an escort vehicle for a funeral procession as provided in [section 321.324A](#).

3. *Blue light.*

- a. A blue light shall not be used on any vehicle except for the following:
 - (1) A vehicle owned or exclusively operated by a fire department.
 - (2) A vehicle authorized by the chief of the fire department if the vehicle is owned by a member of the fire department, the request for authorization is made by the member on forms provided by the department, and necessity for authorization is demonstrated in the request.
 - (3) An authorized emergency vehicle, other than a vehicle described in paragraph “a”, subparagraph (1) or (2), if the blue light is positioned on the passenger side of the vehicle and is used in conjunction with a red light positioned on the driver side of the vehicle.
 - (4) (a) A motor truck, trailer, tractor, truck-mounted snow blower, or motor grader owned by the department if the blue light is rear-facing and used in conjunction with amber and white lighting devices or reflectors while the equipment is being used for snow and ice treatment or removal on the public streets or highways.

(b) This subparagraph (4) is repealed on July 1, 2019.

b. A person shall not use only a blue light on a vehicle unless the vehicle meets the requirements of paragraph “a”, subparagraph (1) or (2).

4. *Expiration of authority.* The authorization shall expire at midnight on the thirty-first day of December five years from the year in which it was issued, or when the vehicle is no longer owned by the member, or when the member has ceased to be an active member of the fire department or of an ambulance, rescue, or first response service, or when the member has used the blue or white light beyond the scope of its authorized use. A person issued an authorization under [subsection 3](#), paragraph “a”, subparagraph (2), shall return the authorization to the fire chief upon expiration or upon a determination by the fire chief or the department that the authorization should be revoked.

5. *When used.* The certificate of authorization shall be carried at all times with the certificate of registration of the authorized vehicle and the operator of the vehicle shall not illuminate the blue or white light except in any of the following circumstances:

- a. When the member is en route to the scene of a fire or is responding to an emergency in the line of duty requiring the services of the member.
- b. When the authorized vehicle is transporting a person requiring emergency care.
- c. When the authorized vehicle is at the scene of an emergency.
- d. The use of the blue or white light in or on a private motor vehicle shall be for identification purposes only.

6. *Amber flashing light.* A farm tractor, farm tractor with towed equipment, self-propelled implement of husbandry, road construction or maintenance vehicle, road grader, or other vehicle principally designed for use off the highway which, when operated on a primary or secondary road, is operated at a speed of thirty-five miles an hour or less, shall be equipped with and display an amber flashing light visible from the rear at any time from sunset to sunrise. If the amber flashing light is obstructed by the towed equipment, the towed equipment shall also be equipped with and display an amber flashing light as required under [this subsection](#). All vehicles specified in [this subsection](#) which are manufactured for sale or sold in this state shall be equipped with an amber flashing light in accordance with the standards of the American society of agricultural engineers.

7. *Flashing white light.*

a. Except as provided in [section 321.373, subsection 7](#), and [subsection 2](#), paragraphs “c” and “i” of [this section](#), a flashing white light shall only be used on a vehicle in the following circumstances:

(1) On a vehicle owned or exclusively operated by an ambulance, rescue, or first response service.

(2) On a vehicle authorized by the director of public health when all of the following apply:

(a) The vehicle is owned by a member of an ambulance, rescue, or first response service.

(b) The request for authorization is made by the member on forms provided by the Iowa department of public health.

(c) Necessity for authorization is demonstrated in the request.

(d) The head of an ambulance, rescue, or first response service certifies that the member is in good standing and recommends that the authorization be granted.

(3) On an authorized emergency vehicle.

(4) (a) On a motor truck, trailer, tractor, truck-mounted snow blower, or motor grader owned by the department if the white light is rear-facing and used in conjunction with amber and blue lighting devices or reflectors while the equipment is being used for snow and ice treatment or removal on the public streets or highways.

(b) This subparagraph (4) is repealed on July 1, 2019.

b. The Iowa department of public health shall adopt rules to establish issuance standards, including allowing local emergency medical service providers to issue certificates of authorization, and shall adopt rules to establish certificate of authorization revocation procedures.
