514C.6 Uniformity of treatment — employee welfare benefit plans.

- 1. A statutory provision to mandate a health care coverage or service, or to mandate the offering of a health care coverage or service, applies to all state-regulated third-party payors and to employee welfare benefit plans described in 29 U.S.C. §1001 et seq. However, if an employee welfare benefit plan subject to federal regulation is not subject to a substantially similar requirement, the statutory provision does not apply to a state-regulated third-party payor until the employee welfare benefit plans are subject to a substantially similar standard under federal regulations as determined by the commissioner.
- 2. For purposes of this section unless the context otherwise requires, a third-party payor means:
 - a. An accident and sickness insurer, subject to chapter 509 or 514A.
 - b. A nonprofit health service corporation, subject to chapter 514.
 - c. A health maintenance organization, subject to chapter 514B.
- d. Any other entity engaged in the business of insurance, risk transfer, or risk retention, which is subject to the jurisdiction of the commissioner.
