136A.5 Newborn metabolic screening.

- 1. All newborns born in this state shall be screened for congenital and inherited disorders in accordance with rules adopted by the department.
- 2. An attending health care provider shall ensure that every newborn under the provider's care is screened for congenital and inherited disorders in accordance with rules adopted by the department.
- 3. This section does not apply if a parent objects to the screening. If a parent objects to the screening of a newborn, the attending health care provider shall document the refusal in the newborn's medical record and shall obtain a written refusal from the parent and report the refusal to the department as provided by rule of the department.
