

17A.6B Agency fees internet site — notice.

1. The office of the chief information officer shall establish and maintain a user-friendly state services fee database and internet site for use by the public. Each agency shall make available through the internet site the current fees, rates, and charges imposed by the agency on the public.

2. The state services fee internet site shall provide timely notice of any modifications in fees, rates, and charges imposed by an agency by providing for an electronic mail notification system for interested parties.
