

28M.2 Regional transit district created.

1. A county with a population in excess of one hundred seventy-five thousand and participating cities may create, by [chapter 28E](#) agreement, a regional transit district in the county pursuant to [this chapter](#). Two or more contiguous counties and participating cities may create, by [chapter 28E](#) agreement, a regional transit district pursuant to [this chapter](#) if one of the counties has a population in excess of one hundred seventy-five thousand. A district shall consist of the unincorporated area of any participating county and the incorporated area of any city in the county that does not have an urban transit system. However, a city without an urban transit system may decline, by resolution forwarded to the board of supervisors, to participate in a regional transit district.

2. A city with an urban transit system may participate in a regional transit district if the city council, by resolution forwarded to the board of supervisors, notifies the county that the city wishes to participate.

3. A city that is located in a nonparticipating county that is contiguous to a county with a population in excess of one hundred seventy-five thousand that is creating a regional transit district may notify that county, by resolution forwarded to the board of supervisors of that county, that the city wishes to participate.

4. The [chapter 28E](#) agreement shall include a map showing the area and boundaries of the regional transit district.
