28M.2 Regional transit district created.
1. A county with a population in excess of one hundred seventy-five thousand and participating cities may create, by chapter 28E agreement, a regional transit district in the county pursuant to this chapter. Two or more contiguous counties and participating cities may create, by chapter 28E agreement, a regional transit district pursuant to this chapter if one of the counties has a population in excess of one hundred seventy-five thousand. A district shall consist of the unincorporated area of any participating county and the incorporated area of any city in the county that does not have an urban transit system. However, a city without an urban transit system may decline, by resolution forwarded to the board of supervisors, to participate in a regional transit district.
2. A city with an urban transit system may participate in a regional transit district if the city council, by resolution forwarded to the board of supervisors, notifies the county that the city wishes to participate.
3. A city that is located in a nonparticipating county that is contiguous to a county with a population in excess of one hundred seventy-five thousand that is creating a regional transit district may notify that county, by resolution forwarded to the board of supervisors of that county, that the city wishes to participate.
4. The chapter 28E agreement shall include a map showing the area and boundaries of the regional transit district.
