380.6 Effective date.

Measures passed by the council become effective in one of the following ways:

- 1. a. An ordinance or amendment signed by the mayor becomes effective when the ordinance or a summary of the ordinance is published, as provided in section 380.7, subsection 3, unless a subsequent effective date is provided within the ordinance or amendment.
 - b. A resolution signed by the mayor becomes effective immediately upon signing.
 - c. A motion becomes effective immediately upon passage of the motion by the council.
- 2. The mayor may veto an ordinance, amendment, or resolution within fourteen days after passage. The mayor shall explain the reasons for the veto in a written message to the council at the time of the veto. Within thirty days after the mayor's veto, the council may pass the measure again by a vote of not less than two-thirds of all of the members of the council. If the mayor vetoes an ordinance, amendment, or resolution and the council repasses the measure after the mayor's veto, a resolution becomes effective immediately upon repassage, and an ordinance or amendment becomes a law when the ordinance or a summary of the ordinance is published, unless a subsequent effective date is provided within the ordinance or amendment.
- 3. If the mayor takes no action on an ordinance, amendment, or resolution, a resolution becomes effective fourteen days after the date of passage and an ordinance or amendment becomes a law when the ordinance or a summary of the ordinance is published, but not sooner than fourteen days after the date of passage, unless a subsequent effective date is provided within the ordinance or amendment.
