## 384.45 Plats.

The plat as prepared and filed by the engineer must show the following information:

- 1. The boundaries of the district containing the lots proposed to be assessed.
- 2. The location of each lot under separate ownership within the district, including the property of all railways and utilities subject to assessment.
- 3. The location of the improvement within the district, together with the terminal points of all major parts proposed to be assessed.
  - 4. The type and general details of the improvement.
