1. There is imposed a tax of six percent upon the sales price of all sales of tangible personal property, consisting of goods, wares, or merchandise, sold at retail in the state to consumers or users except as otherwise provided in [this subchapter](#).

(1) Sales of engraving, photography, retouching, printing, and binding services.

(2) Sales of vulcanizing, recapping, and retreading services.

(3) Sales of prepaid calling services and prepaid wireless calling services.

(4) Sales of optional service or warranty contracts, except residential service contracts regulated under [chapter 523C](#), which provide for the furnishing of labor and materials and require the furnishing of any taxable service enumerated under [this section](#). The sales price is subject to tax even if some of the services furnished are not enumerated under [this section](#). Additional sales, services, or use taxes shall not be levied on services, parts, or labor provided under optional service or warranty contracts which are subject to tax under [this subsection](#).

(5) Sales of optional service or warranty contracts for computer software maintenance or support services.

(a) If a service or warranty contract does not specify a fee amount for nontaxable services or taxable personal property, the tax imposed pursuant to [this section](#) shall be imposed upon an amount equal to one-half of the sales price of the contract.

(b) If a service or warranty contract provides only for technical support services, no tax shall be imposed pursuant to [this section](#).

(6) Subparagraphs (4) and (5) shall also apply to the use tax imposed under [section 423.5](#).

b. Sales of building materials, supplies, and equipment to owners, contractors, subcontractors, or builders for the erection of buildings or the alteration, repair, or improvement of real property are retail sales of tangible personal property in whatever quantity sold. Where the owner, contractor, subcontractor, or builder is also a retailer holding a retail sales tax permit and transacting retail sales of building materials, supplies, and equipment, the person shall purchase such items of tangible personal property without liability for the tax if such property will be subject to the tax at the time of resale or at the time it is withdrawn from inventory for construction purposes. The sales tax shall be due in the reporting period when the materials, supplies, and equipment are withdrawn from inventory for construction purposes or when sold at retail. The tax shall not be due when materials are withdrawn from inventory for use in construction outside of Iowa and the tax shall not apply to tangible personal property purchased and consumed by the manufacturer as building materials in the performance by the manufacturer or its subcontractor of construction outside of Iowa. The sale of carpeting to owners, contractors, subcontractors, or builders shall be treated as the sale of ordinary tangible personal property and subject to the tax imposed under [this subsection](#) and the use tax.

c. The use within this state of tangible personal property by the manufacturer thereof, as building materials, supplies, or equipment, in the performance of construction contracts in Iowa, shall, for the purpose of [this subchapter](#), be construed as a sale at retail of tangible personal property by the manufacturer who shall be deemed to be the consumer of such tangible personal property.
