

426C.5 Payment to counties.

1. Annually the department shall certify to the county auditor of each county the amounts of the business property tax credits allowed in the county. Each county auditor shall then enter the credits against the tax levied on each eligible parcel or property unit in the county, designating on the tax lists the credit as being paid from the fund. Each taxing district shall receive its share of the business property tax credit allowed on each eligible parcel or property unit in such taxing district in the proportion that the levy made by such taxing district upon the parcel or property unit bears to the total levy upon the parcel or property unit by all taxing districts. However, the several taxing districts shall not draw the moneys so credited until after the semiannual allocations have been received by the county treasurer, as provided in [this section](#). Each county treasurer shall show on each taxpayer receipt the amount of credit received from the fund.

2. The director of revenue shall authorize the department of administrative services to draw warrants on the fund payable to the county treasurers of the several counties of the state in the amounts certified by the department.

3. The amount due each county shall be paid in two payments on November 15 and March 15 of each fiscal year, drawn upon warrants payable to the respective county treasurers. The two payments shall be as nearly equal as possible.
