

427C.3 Forest reservation.

A forest reservation shall contain not less than two hundred growing forest trees on each acre. If the area selected is a forest containing the required number of growing forest trees, it shall be accepted as a forest reservation under [this chapter](#) provided application is made or on file on or before February 1 of the exemption year. If any buildings are standing on an area selected as a forest reservation under [this section](#) or a fruit-tree reservation under [section 427C.7](#), one acre of that area shall be excluded from the tax exemption. However, the exclusion of that acre shall not affect the area's meeting the acreage requirement of [section 427C.2](#).
